2021

My Family

MOM

I

GRANNY

I was studying at many schools.
The last school - gymnasium
number 5 in Sergiev Posad

Yes, I have a special certificate, but I will not show it to you. Because, it's my precious.

In 2018 I graduated from the MGPU university. At the moment I am studying at MPGU university

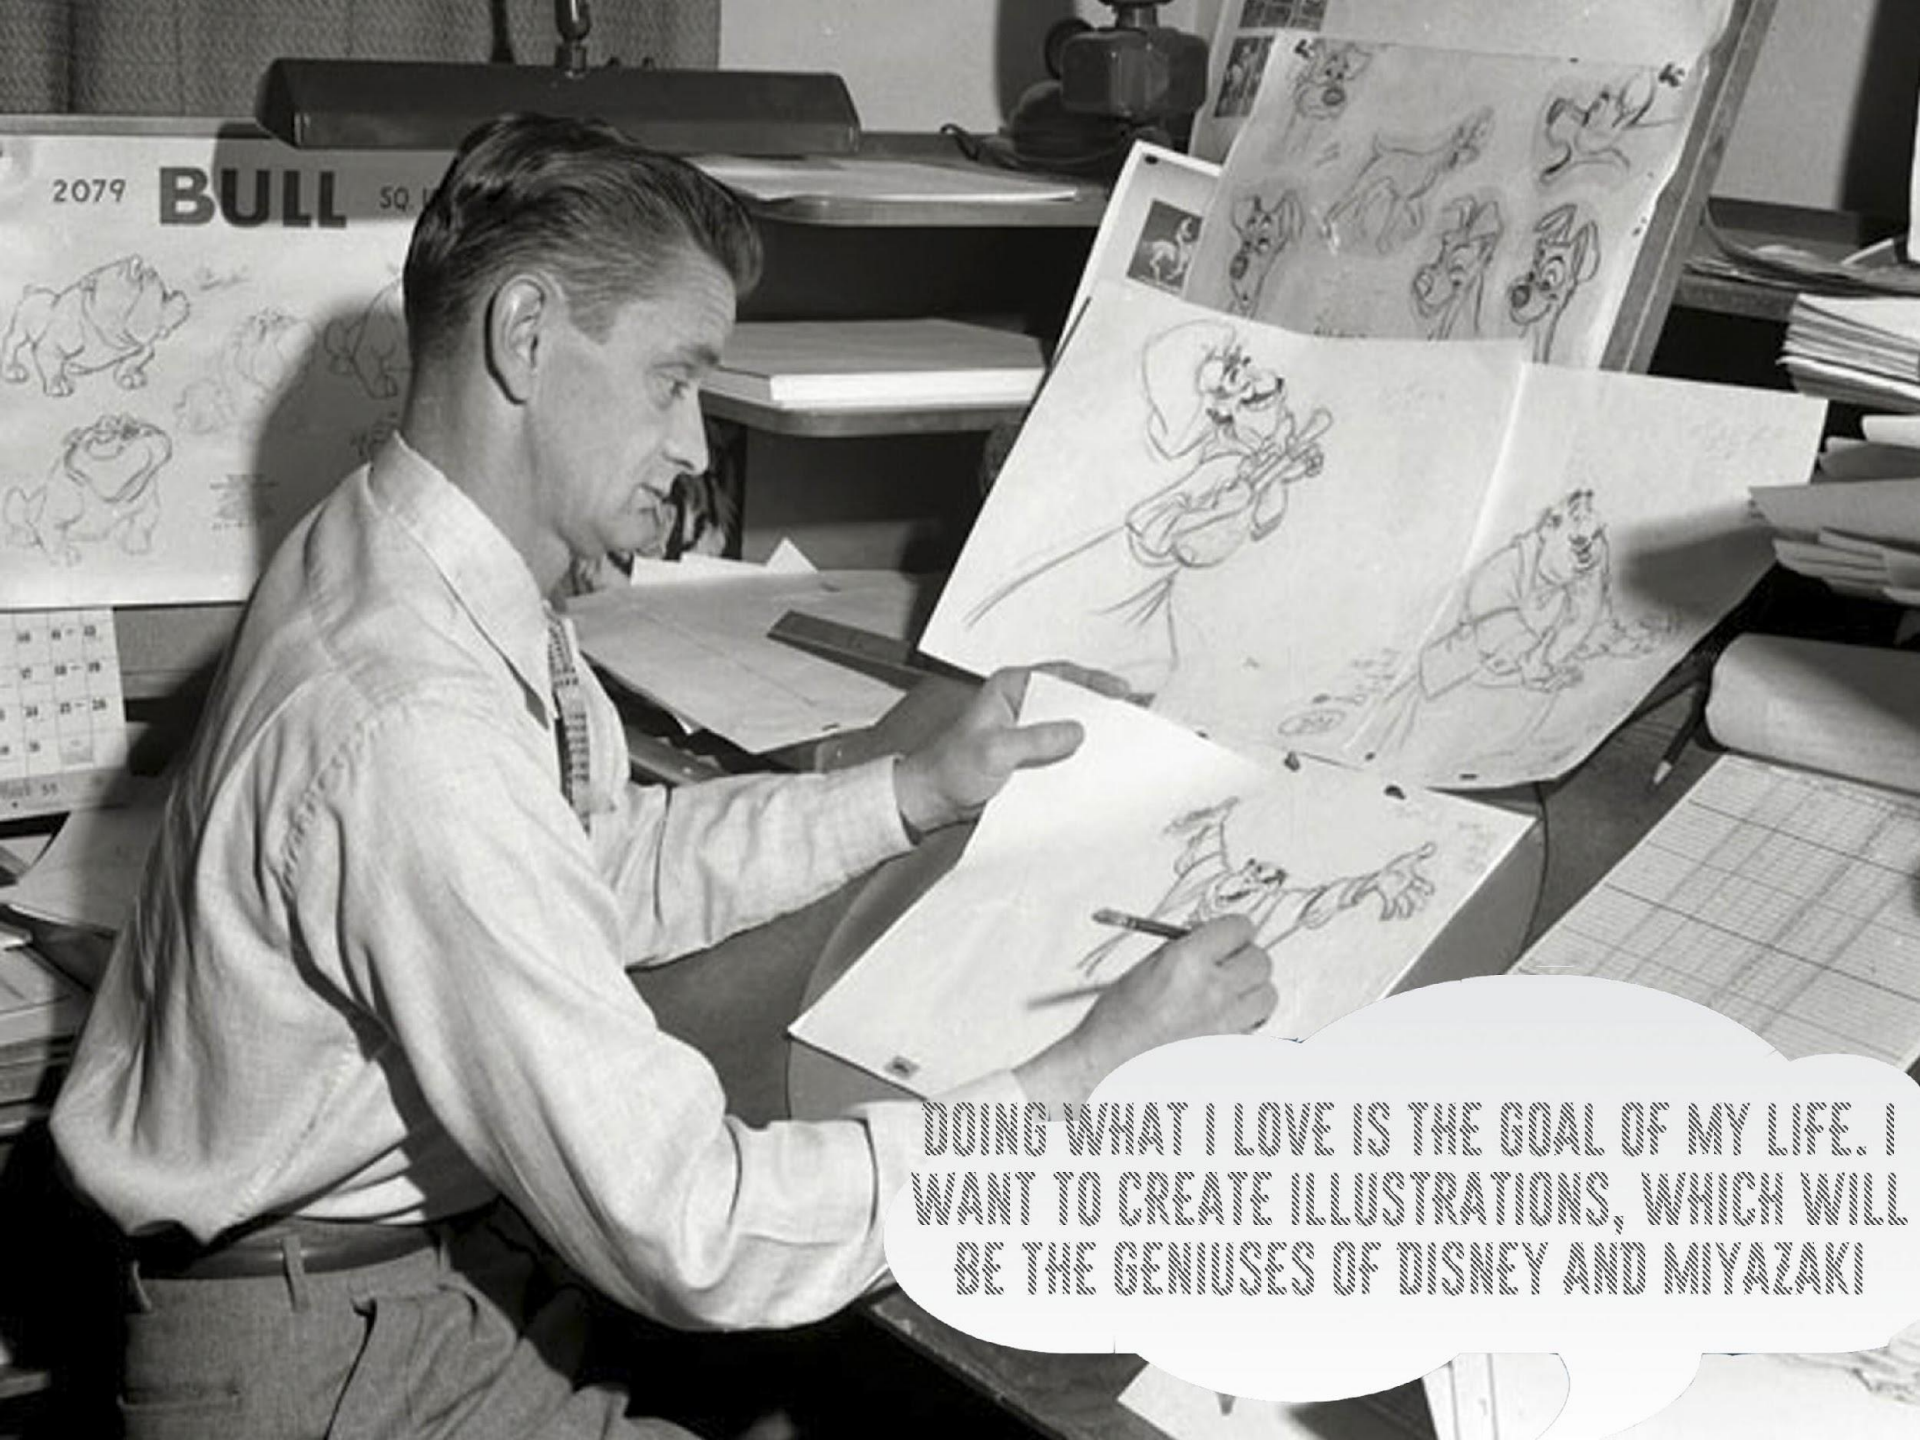

At the moment I am unemployed. But these are temporary difficulties.

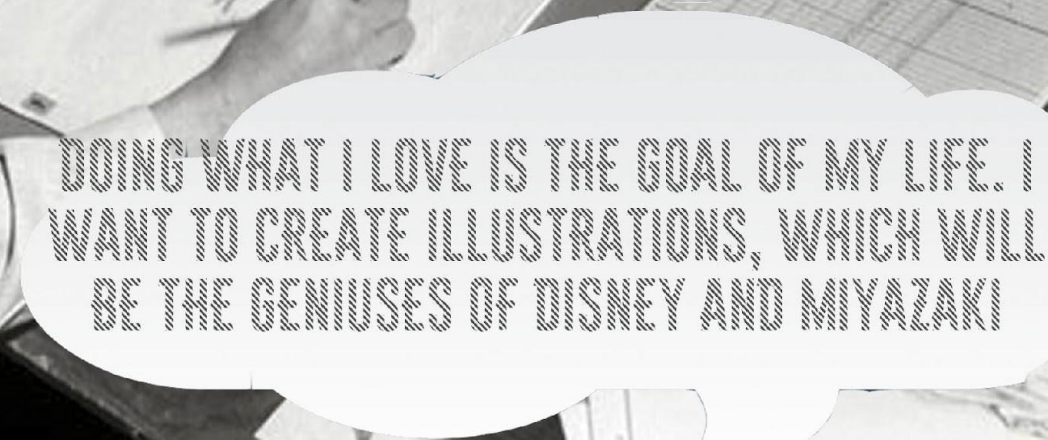

One day I would like to have my own animation studio. This is my dream job.
