- Task 3

1. I've just heard some juicy gossip about Abby. She is dating a coach of her son and she doesn't want to tell anyone the truth.
2. It's nonsense. Omar can't have moved to China. He is too close to his mom to leave her alone.
3. Eavesdropping is bad, but I must know what they are talking about. He might want to fire me.
4. Eventually, George Clooney has found the love of his life. Obviously, Amal is worth such a man.
5. Andriana is a busybody. Don't tell her any secrets. That's all that she wants. Then she will spread them all around the city.
6. Surprisingly, he's learnt a few Polish words. Now he can say hello and good bye.
7. Don't tell me what to do. I want to go to his housewarming party and I'll go.
8. I don't believe in all these rumours about Brad Pitt's new girlfriend. I'm sure he still loves Angelina Jolie.
9. I adore programs with Prytula. He's good at telling jokes.
