# Триада

The interface features a top navigation bar with icons for different color schemes: моно, контраст, **триада**, тетрада, аналогия, and акцент аналогия. Below the navigation bar, a horizontal bar displays the selected triadic color palette: pink, cyan, yellow, and purple.

Постоянный адрес текущей цветовой схемы:  
<https://colorscheme.ru/#5d32mcO--w0w0>

On the left, a color wheel is shown with the selected color at 333° and an angle of 60°. The wheel is labeled "тёплые цвета" (warm colors) at the top and "холодные цвета" (cool colors) at the bottom. The selected color is pink, with RGB values: R: 100 %, G: 60 %, B: 80 % and hex code: RGB: FF99CD. There are also controls for "инверсия" (invert) and "тонкая настройка" (fine tune).

On the right, a large preview area shows a grid of color swatches. A "Показать образец текста" (Show text sample) button is located at the bottom right of this area.

At the bottom, there are four buttons: "Цветовой Круг" (Color Wheel), "Тонкая Настройка" (Fine Tune), "Список Цветов" (Color List), "Просмотр схемы" (View Scheme), "Пример светлой страницы" (Light Page Example), and "Пример темной страницы" (Dark Page Example).
