This is my one-story dream house! I think it would be so nice to live in there. It looks cozy!

Let's go to the backyard!

the walkway is made of stones!

A close-up view of a garden path made of large, flat, light-colored stones set into a green lawn. The path leads towards a flower bed with yellow and white flowers.

two comfortable benches

A view of a garden patio area. On the left, a dark wicker bench with a light-colored cushion and a small dog sitting on it. In the center, a large, round, light-colored stone table. On the right, a metal bench with white cushions. The background shows a wooden fence and various plants.

modest garden with bushes

A wide view of a garden with a green lawn in the foreground. The background is filled with various green bushes and trees, including a large, rounded bush on the left and a tall, thin tree in the center.

apple trees
