

Little Elf, little elf

What do you see?

Shimmering lights

on the Christmas tree.

Little Elf, little elf

What do you hear?

Sleigh bells ringing

on Santa's reindeer.

Little Elf, little elf

What do you feel?

Santa's soft beard,

It feels so real.

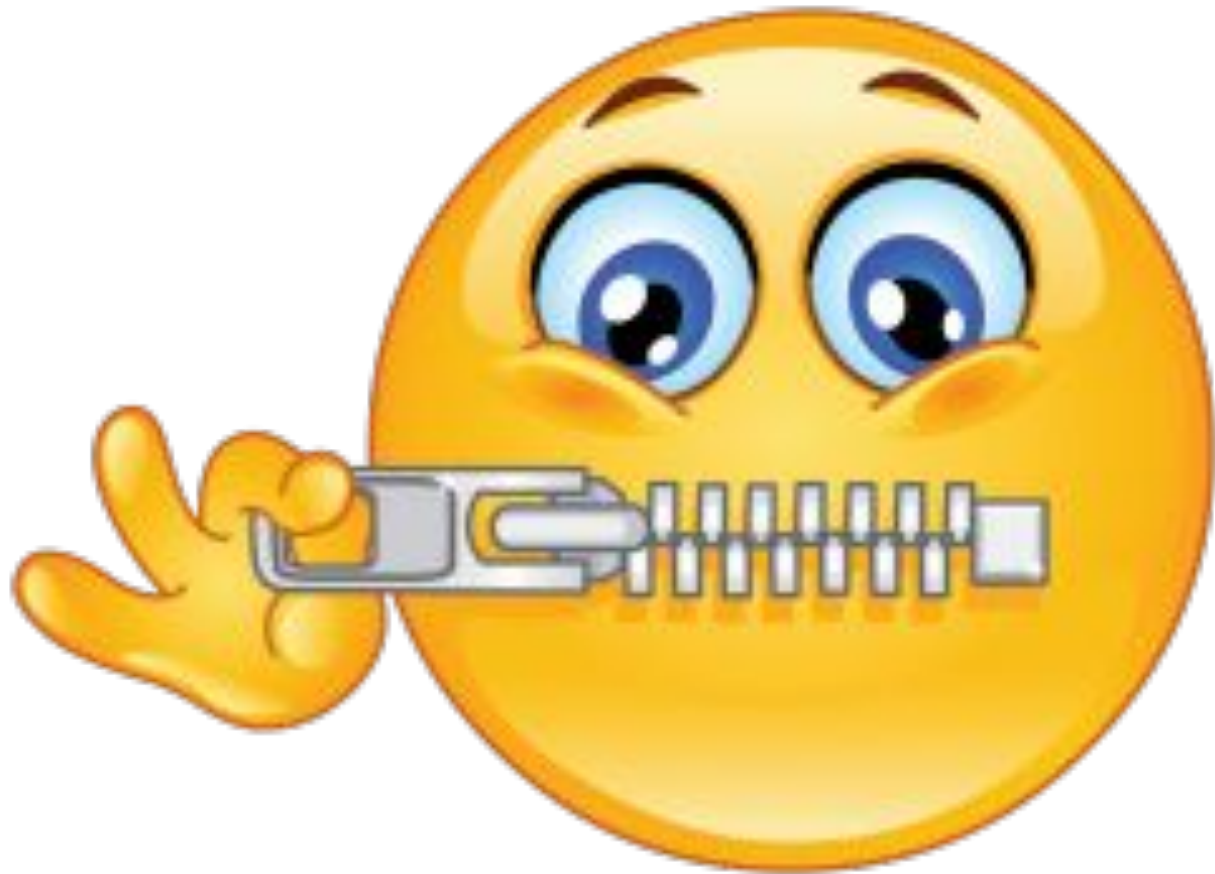

Little Elf, little elf

What do you smell?

Something's in the oven

But I won't tell.

Little Elf, little elf

what do you eat?

Candy canes

So crunchy and sweet.
