A close-up photograph of a person's hand counting coins on a dark, reflective surface. The hand is positioned on the left side of the frame, with fingers slightly curled as if holding or moving coins. The coins are scattered across the table, with some stacked into small piles on the right side. The background is blurred, showing the person's arm and a blue shirt. The lighting is soft, highlighting the texture of the coins and the skin of the hand.

Проблема миграции  
людей

A long line of men is sitting on the ground in an outdoor setting, possibly a transit area or a camp. The men are dressed in warm clothing, including jackets, hoodies, and beanies. The man in the foreground on the right is smiling and wearing a blue and red hoodie. The background shows a clear sky and some distant structures. A white rounded rectangle with a thin border is overlaid on the image, containing the text "Положительные стороны иммигрантов" in white. The text is centered horizontally and vertically within the rectangle.

Политика

A row of national flags is displayed in a large, modern hall. The flags include the European Union flag (blue with yellow stars), the flag of the United Kingdom (Union Jack), and the flag of Romania (blue, yellow, and red vertical stripes). Two men in dark suits are standing in the background, engaged in conversation. The floor is polished and reflects the lights. The background features a complex, geometric pattern of white and black lines.
