

Holidays

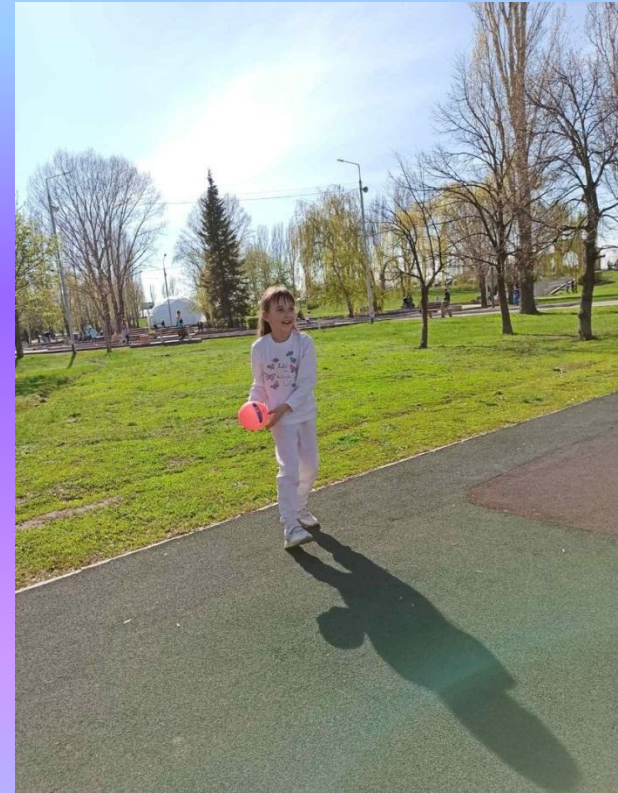

I was in the park on my holidays. My mother and I walked and had a good time! I was on a swing. I rode a scooter. I like this park very much!

I was in the park on the May holidays.

I played with the ball and walked. Walking in the fresh air is very interesting and useful. I like to go out with my mother and my aunt Lera!

**I was in the park
with my friends on
the May weekend. I
have a lot of good
friends. My friends
and I walk, play and
tell each other
interesting stories.**

- I was at the summer house on my holidays.
- I like to spend time in the country. I help my relatives, I play with my friends!

My family and I were at the summer house on my weekend! I saw the green lizard. It was big and funny. I like fishing very much. I was in the park on my weekend too. I walked and rode a scooter.

I walked, played with the ball in the fresh air on May holidays. Our family likes to spend time together, to walk and play. I love sunny warm days very much!
