

THE SIGHTS OF DONETSK

Donetsk is a large industrial, scientific and cultural city. The city was founded in 1869 by John Hughes.

It is called the city of roses.

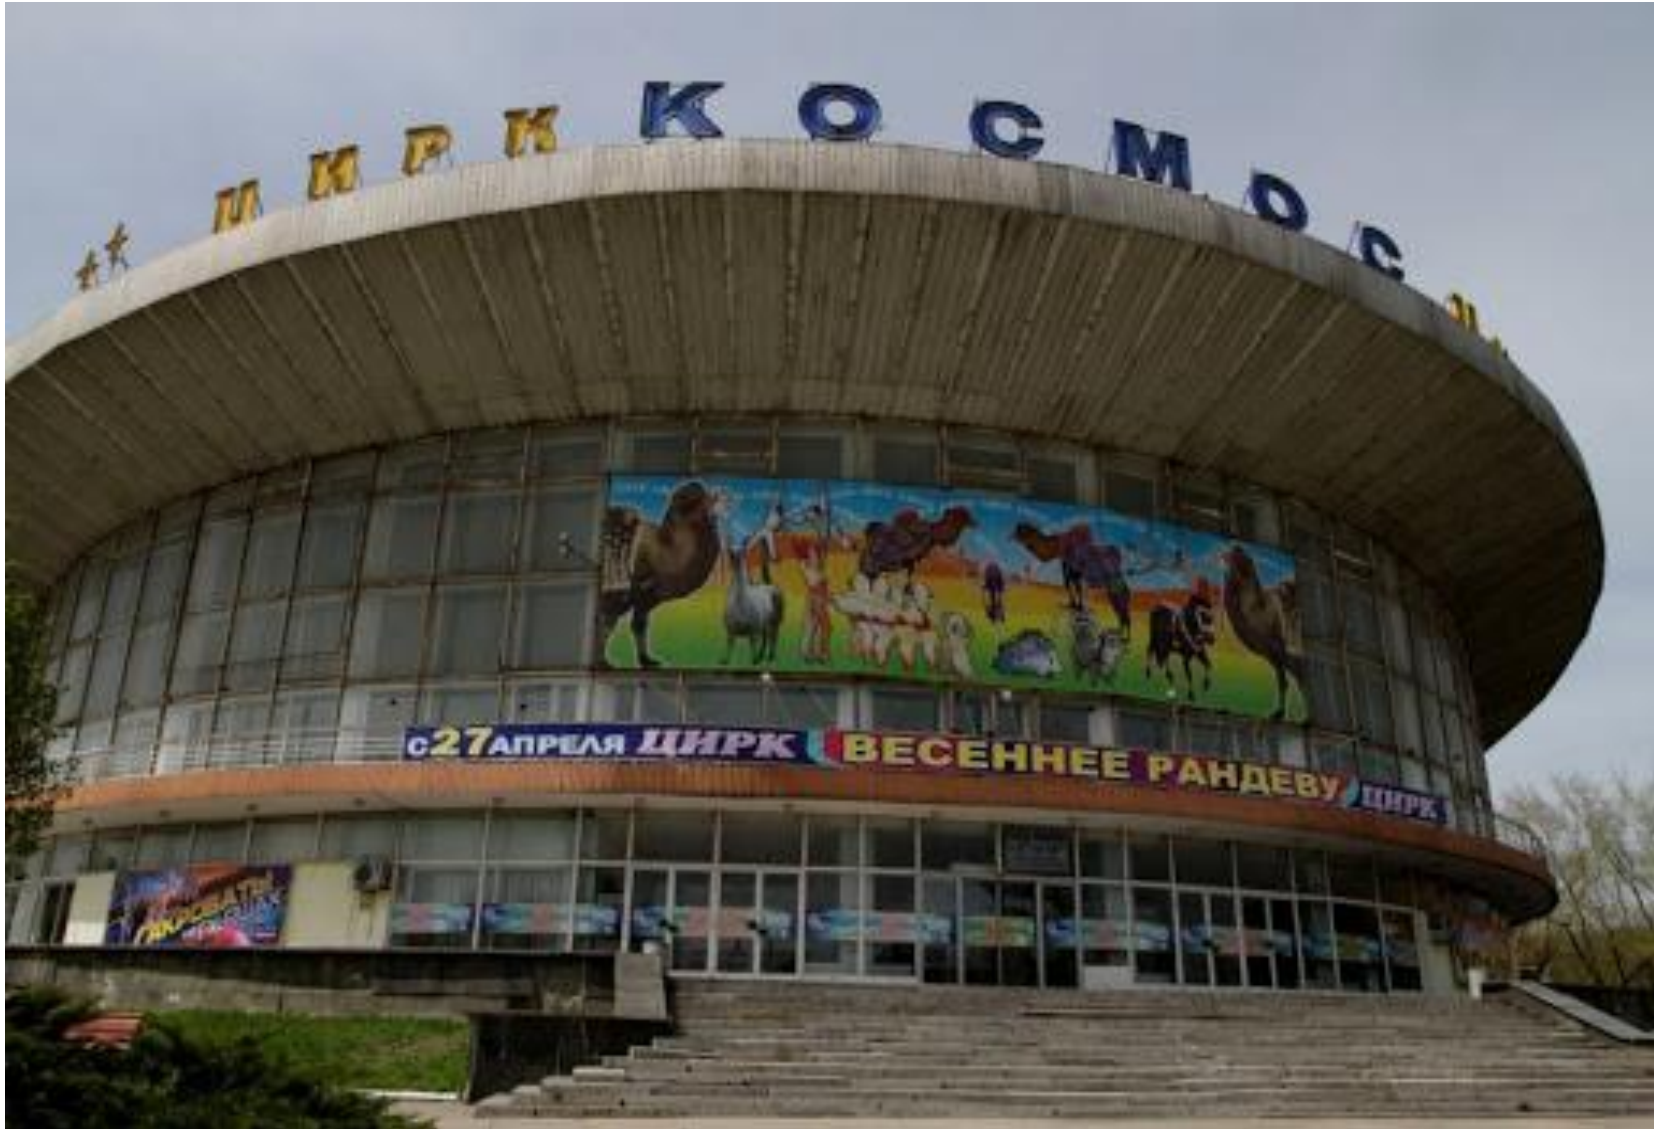

Алма Язодкан / vk.com/id26155524

There are three theatres in the city.

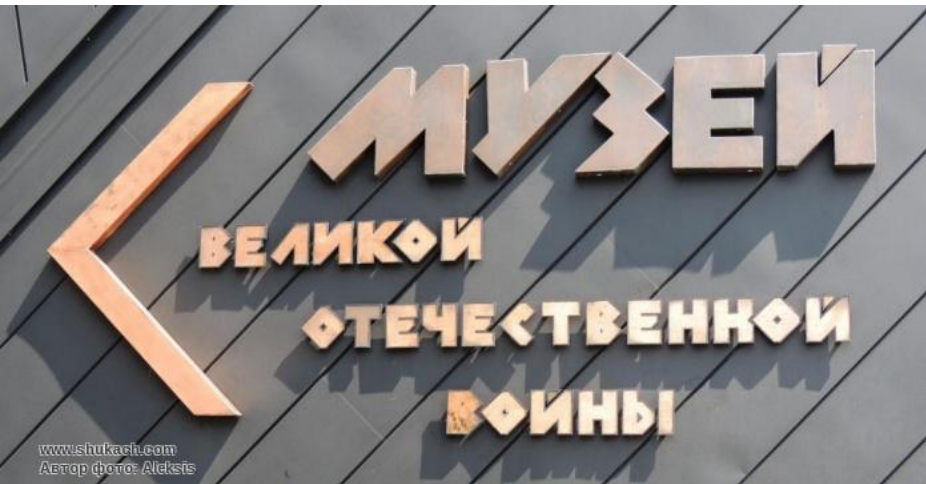

Circus "KOSMOS"

Planetarium

Many Museums

Many parks

**The main street of Donetsk is
Artyoma street**

I like my city very much
