

Python Basic

## Урок 2

# Встроенные типы и операции с ними

# План урока

- Строки.
- Списки.
- Кортежи.
- Словари.
- Множества.
- И их методы.

A stack of three books with brown covers is the central focus. The top book is closed, the middle one is slightly open, and the bottom one is open, showing its pages. A yellow bookmark is visible in the middle book. To the right, a dark pen lies on a white sheet of paper. The background is dark and out of focus.
