

Python Basic

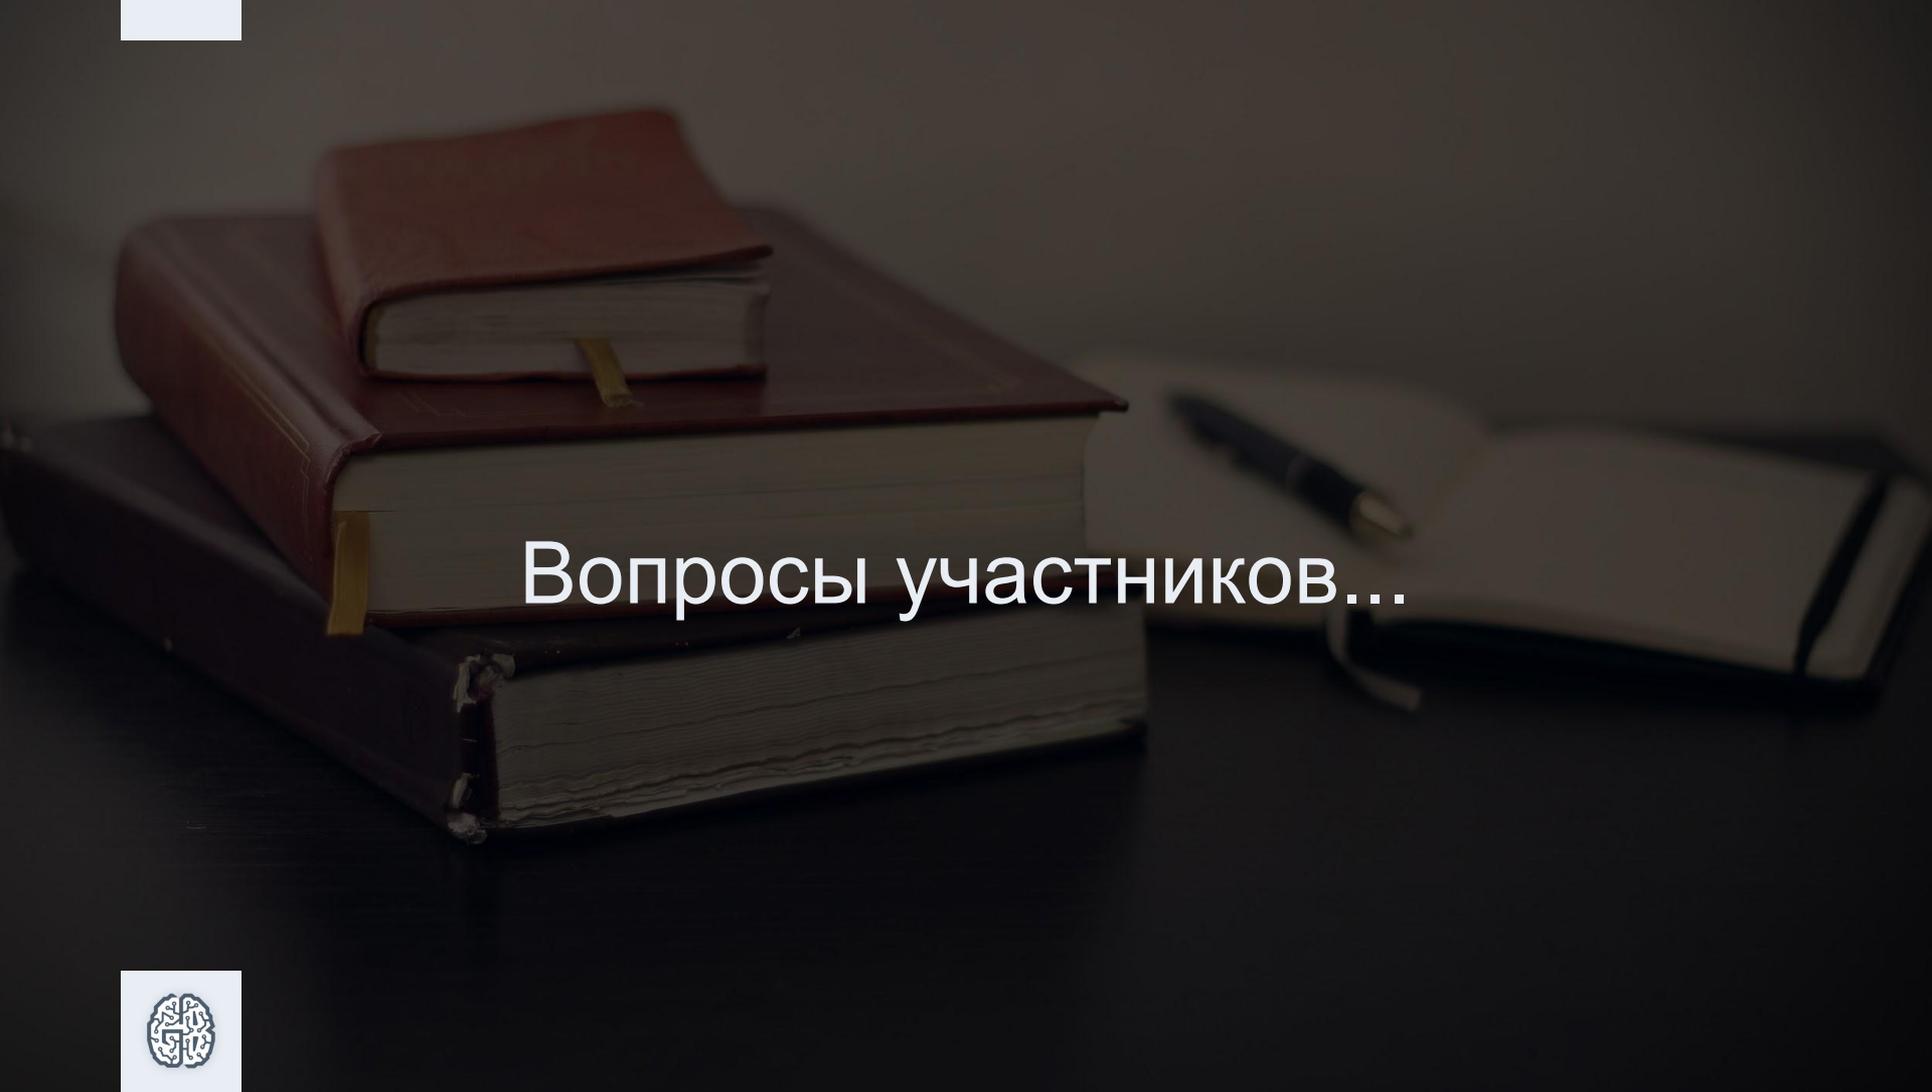

Урок 2

Встроенные типы и операции с ними

План урока

- Строки.
- Списки.
- Кортежи.
- Словари.
- Множества.
- И их методы.

A stack of three books with brown covers is the central focus, resting on a dark surface. A pen lies to the right of the books. The scene is dimly lit, with a soft light source from the left. The text 'Вопросы участников...' is overlaid in white on the books.

Вопросы участников...
