

A central black bomb with a lit fuse is the focal point. The fuse is a thick, braided rope that curves from the top of the bomb to a bright yellow and orange starburst flame on the right. A grey rectangular box is superimposed over the middle of the bomb, containing the word "book" in white lowercase letters. At the bottom left, a stylized illustration of Batman in his black suit and cowl is shown against a purple rectangular background. At the bottom right, a stylized illustration of Superman in his blue suit with a red cape and yellow chest emblem is shown against a grey rectangular background. The entire scene is set against a background of radiating orange and red lines and a pattern of small orange dots.
