What follows a horse wherever he goes?

Riddles:

Give me food, and I will live; give me water, and I will die. What am I?

You use a knife to slice my head and weep beside me when I am dead. What am I?

What jumps when it walks and sits when it stands?

What has a neck, but no head?

Riddles:

Pronounced as one letter,
And written with three,
Two letters there are,
And two only in me.

I'm double, I'm single,
I'm black, blue, and gray,
I'm read from both ends,
And the same either way.

What am I?
