

PHILATELY

ONE OF THE MOST POPULAR HOBBIES

Some of hobbits' says, that the collecting stamps I on of the most famous hobbies in the world. This hobby can not only relaxing you and gave you enjoy, it's inspire too.

MODERN PHILATELY

Modern philately - it's not just collecting stamps. Currently, this is the collection and study of a wide variety of other documents related to the history and development of mail and pay postage. Whole thing - interesting philatelic material that not only complements the collection of postage stamps, but may be subject to special collectibles.

KINDS OF PHILATELY
