- Importance of telecommunication
- Role in our life
- Phone as useful tool
- Mobile Internet
- Phones as a part of infrastructure

# Telecommunications and their importance

We can't deny the role of telecommunications in our life

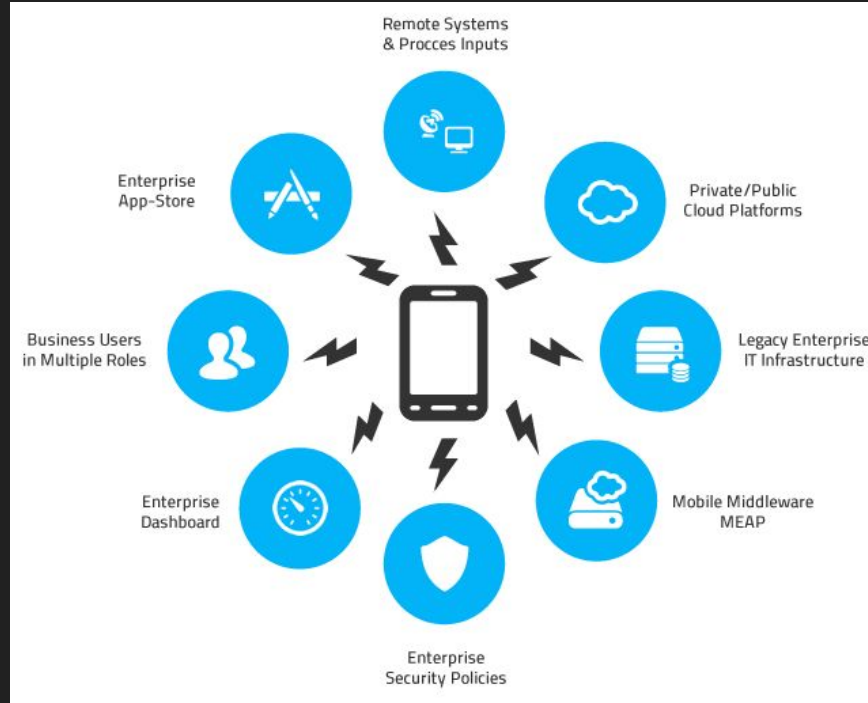

Phone, which is no longer a symbol of prestige but a useful tool

Today we can easily connect to the Internet using our cell phone

# Telephones are as much a part of infrastructure of our society as roads or electricity

Thanks for attention!
