A green alien character stands in the foreground, looking thoughtful. A thought bubble above its head contains the word "GOOD!". A large green arrow with the word "GO" in red points towards the word "thrown" in a green oval. Five other green alien characters are scattered around the scene, each with a word in a green oval: "threw", "threw", "threw", "thrawn", and "thrawn". The background is a scenic lake with mountains and a cloudy sky.
