

Hello! My name is Ted. I am forty seven years old. I(m) a scientist. I do experiments in a big lab. There's a library next to the lab and I read about new theories there. I love my job because I can do different things. It's really interesting! On Mondays and Wednesdays, I go to work by car with a friend. He is a scientist too and we work together. On Tuesdays and Thursdays I go to the lab by bus. And on

Fridays I ride my bike to work. I live with my wife Elvia and my son Chris. We live in California.
