The image shows a screenshot of the New York Times mobile application interface. At the top, there is a navigation bar with options for VIDEO, CONFERENCE, THE UPSHOT, and SUBSCRIBE. Below this, the user's profile is visible, showing the name 'Troinai Artem' and a subscription date of 12/01/2016. The main content area features the newspaper's masthead, 'The New York Times', in a large, black, serif font. The primary article is titled 'Mark Zuckerberg: Cuba "something that we might consider"', with a sub-headline stating 'Facebook Chief Executive Mark Zuckerberg visits the Summit of the Americas and is mum about plans to spread social network into changing Cuba. Rough Cut (no reporter narration)'. The author is identified as ELLEN BARRY, dated 11 APR 2016. A large photograph of Mark Zuckerberg smiling is positioned to the right of the text. To the right of the main article, there is a 'Follow us:' section with icons for Twitter and Facebook. Below the main article, a 'RIGHT NOW' section displays a row of three smaller article thumbnails, including one featuring Barack Obama. On the right side of the screen, a 'TOP' section lists trending topics such as 'The Mc the Wh' and 'Republ Woos E Christi'. At the bottom left, there is a 'PINNED ARTICLES' section and a weather widget for New York, NY, showing a temperature of 59°F and the forecast 'warmer with sun, some clouds'.
