# HIGHER EDUCATION IN THE USA

The system of higher education in the USA consists of colleges and universities, but there is no national system of higher education in the USA. There are a lot of two-year colleges, universities, technical institutes, classical liberal arts colleges.

The college course of study is usually four years. Colleges usually award such degrees as: Bachelor of Arts (A.B.), Bachelor of Science (B.C.), Bachelor of Philosophy (Ph.B.), Bachelor of Letters (B.L.).

The college course usually includes mathematics. English, philosophy, economy, history, at least one modern European language, and at least one natural science. The college course of Bachelor of Arts includes Latin and sometimes Greek too.
