

The background is a solid teal color. Two hands, rendered in shades of brown and tan, are shown from the wrist up, each holding a large, glowing yellow lightbulb. The lightbulbs have a white highlight on their upper left and a small white dot at the base. Scattered around the lightbulbs are several small, white mathematical symbols: plus signs (+) and multiplication signs (x). On the left side of the image, there are several overlapping circles in shades of orange and red, and a vertical band of light pink and white stripes.
