

Hello, my dear friend. Welcome to my house!

You need to solve the code if you want to get out. Visit the monsters and do everything they say!

I am Frankenstein and I love to study! Unfortunately, I have no brain and it's difficult for me to think. Help me!

Name the school subjects.

Geography

Maths

Music

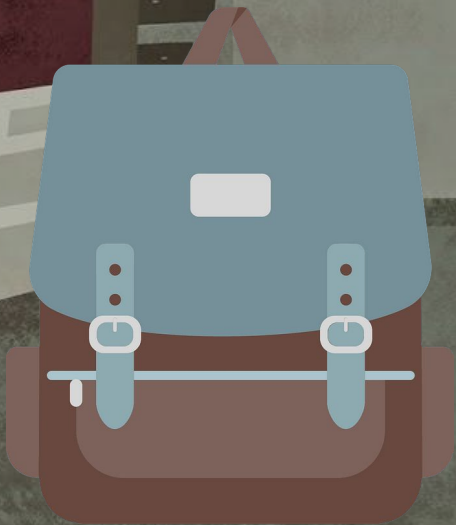

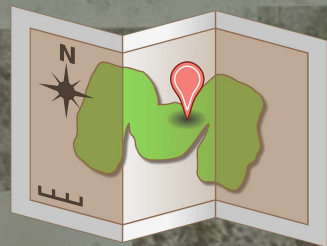

Art

P.E.

Thank you! Can you help me with **school items**? I forget everything!!!
Choose a school bag and name items.

Wow! What a good student. I wish I could be so clever. Take this code.

Friday

Well done! Who is next? He drinks blood and is afraid of garlic.

Welcome to the Dracula house! Let's get to know each other. Answer the questions and if you're interested in my opinion, press "Dracula's answer".

SITTING ROOM

The end!

At the weekend I
often hang out with
friends!
I don't go to school,
come on!

The end is coming. Go to the flying woman.

HOUSE PLAN

My name is Jane and I am a witch. I am really interested in animals! And what about you?

**Do you
have a
pet?**

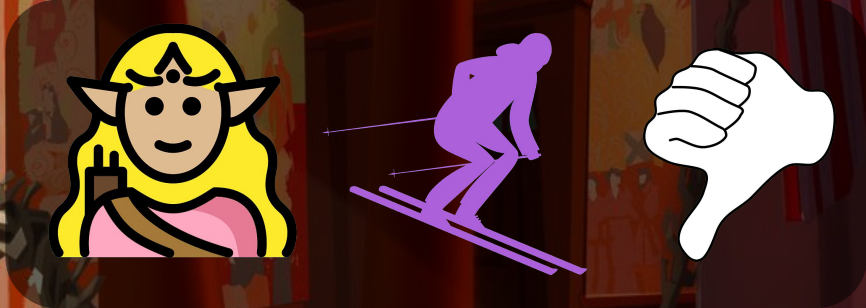

Great! But can you describe these animals?

- name
- color
- what/ eat
- what/can

Wow! I have never seen such a smart kid. Take this code if you want to get out.

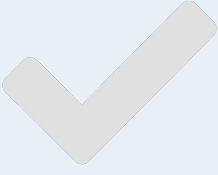

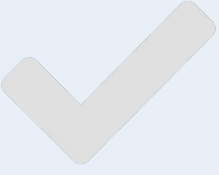

The last task and you will be free (maybe)

HOUSE PLAN

I am a ghost Harry! My friends and I do a lot things together. Who rides a bike and plays the guitar? Play in pairs.

Good job, kid! I give you this code.

Can you guess a secret message about monsters' friends?
Check yourself.
