

**Хирургическая  
анатомия  
периферических  
сосудов**

**1. Хирургическая анатомия сосудов верхней и нижней конечностей.**

**2. Проекция сосудисто-нервных пучков конечностей**

**3. Доступы к сосудисто-нервным пучкам конечностей**

**4. Операции на сосудах.**

M. omohyoideus (venter inferior)

Plexus brachialis (pars supraclavicularis)

N. supraclavicularis anterior

V. jugularis externa

Plexus brachialis (pars infraclavicularis)

M. subclavius

M. trapezius

Clavicula

Ramus acromialis a. thoraco-acromialis

Ramus deltoideus a. thoraco-acromialis

M. pectoralis minor

A. axillaris et a. subclavia

Ramus deltoideus a. thoraco-acromialis

M. deltoideus

M. coracobrachialis

N. musculocutaneus

M. pectoralis major

N. medianus

V. cephalica

N. cutaneus antebrachii medialis

V. axillaris

M. latissimus dorsi

Nodi lymphatici axillares

A. et v. thoracica lateralis

Nodi lymphatici

M. serratus anterior

A. et v. transversa colli

M. scalenus anterior

M. sternocleidomastoideus

Nodi lymphatici infraclaviculares

Nn. thoracales anteriores

M. pectoralis major

A. thoraco-acromialis

Rami pectorales a. thoraco-acromialis
