

Hi I want to tell you about my project

First page

There you can find links to my social networking and links to other tabs

Nazar Bodnar

A WEB developer based in Creator IT academy

I think like a bug, I act like a bug and I fix bugs.

[My portfolio](#)

[About me](#)

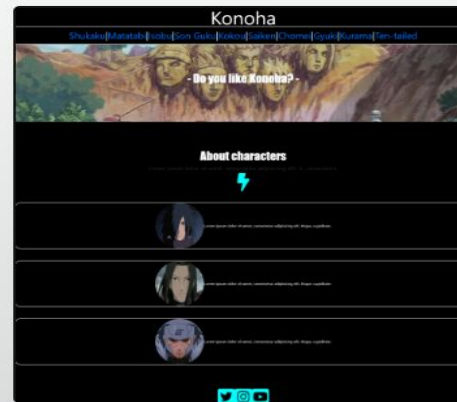

Second page

There you can find link for my first project

My projects

If you want to see the project click on the image

[Go back](#)

Спільна робота в реальному часі

There you can find a few words about me

Some info about me

I'm Nazar, student of 7th grade. I learn web programming at creator IT Academy
