in a braid

the cat purred [pʒ:d] мурлыкала

the witch grinned

Fly - flew [flu:] летели

blow – blew [blu:] подул

The witch wailed

the cat spat

the wind blew so widely

they searched [s3:tʃt] for the hat

But no hat could be found
но не нашли никакой шляпы

out of the bushes ['bʊʃɪz]

on thundering paws
на громоподобных лапах ☺
bounded (принеслась) a dog

in his jaws [dʒɔːz]

EXCUSE
ME!

MARY
WRIGHTLY,
SO
POLITELY

eagerly ['i:gəli] нетерпеливо

as the witch pulled the hat
firmly down on her head

clambered['klæmbəd] on взобралась

the witch tapped
the broomstick
