

CHECKLIST FOR PRESENTERS

Cover slide: Please provide us with your name, institution, and nationality. Do not change any of the logos or the layout of the slide and enter your information only in the placeholders provided. Do not change the font size/colour.

First content slide: Use this slide to explain the wall that you intend to break down, i.e. explain the problem you are trying to solve.

Second content slide: Use this slide to explain how you want to break down the wall, i.e. offer your solution to the problem.

Please keep in mind that you have 2.30 mins before the Q&A session starts. Should no questions be asked or comments be given, you may proceed with your presentation until the full 3 mins are over.
