

The image features a dense field of stars in various shades of blue and purple, creating a cosmic atmosphere. The stars are scattered across the entire frame, with some appearing as bright, distinct points of light and others as a soft, hazy glow. The overall color palette transitions from deep blue on the left to a lighter, more ethereal purple on the right. Centered in the middle of this starry field is the text "YOU'RE NEVER ALONE" in a bold, dark blue, sans-serif font. The text is clearly legible against the lighter background.

YOU'RE NEVER ALONE

**You're never alone, I'm always near,
When you're troubled, down or blue.**

**All you have to do is call me,
I'm always here for you.**

**It doesn't matter where I'm at,
It doesn't matter when.**

**When you need someone to talk to,
I'm here to be your friend.**

**If you need someone to hold your hand,
or a hug to say I care.**

**If you need a shoulder to cry on,
for you I will be there.**

**So never think you are a burden,
when the weight gets to be to much.**

**You might find if look hard enough,
a good friend could be the right touch.**

**You're never alone, I'm always here,
through the good times and the bad.**

**I'm always here to be your friend,
I don't like to see you sad.**
