

THE CITY WHERE I LIV E

Prepared by a student of the
Perm Technical School of Industrial and
Information Technologies Danil Ustuzhanin

WHERE IS PERM LOCATED?

Perm is located in the West Ural.
The city lies on the Kama.
A little more than 1 million people live in Perm.
It is primarily an industrial centre, and education centre.

WHO IS

V.N.

TATISHCH

EV?

MY FAVORITE PLACES IN PERM

A large Ferris wheel with a red and yellow frame and colorful passenger cars is the central focus. The park is surrounded by tall pine trees. In the foreground, there are colorful buildings, including one with a large orange and green animal head on its roof. People are walking on a paved path. The sky is overcast.

ZAKAMSK PARK OF CULTURE AND REST
