на однозначное**

Математический тренажёр

Ребята!

Давайте поупражняемся в счёте. На каждом слайде расположен пример и четыре варианта ответов к нему. Ваша задача – выбрать правильный ответ и кликнуть по нему. Если вы выбираете правильный ответ, то на слайде появляется кнопка перехода на следующий слайд.

Удачи!

$$17 \cdot 4 = \boxed{68}$$

*Выбери правильный
ответ:*

68

66

64

62

A colorful cartoon illustration of a sunny day in a forest. A smiling sun is in the top left. A bee is flying near a tree on the right. A raccoon is on the left, and a dog is on the right, both looking at a central white board. The board contains a math problem and four possible answers in boxes.
$$75 : 3 = \boxed{25}$$

*Выбери правильный
ответ:*

30

25

20

15

$8 \cdot 12 = 96$

*Выбери правильный
ответ:*

98

96

94

92

$$84 : 7 = 12$$

*Выбери правильный
ответ:*

14

13

12

11

$13 \cdot 7 =$

*Выбери правильный
ответ:*

A colorful cartoon illustration of a sunny day in a forest. A smiling sun is in the top left. A bee is flying near a tree on the right. A raccoon is on the left, and a dog is on the right, both looking at a central white board. The board contains a math problem and four answer options.
$$90 : 6 = 15$$

*Выбери правильный
ответ:*

30

25

20

15

$18 \cdot 3 = 54$

*Выбери правильный
ответ:*

58

56

54

52

A colorful cartoon illustration of a sunny day in a park. A smiling sun is in the top left. A bee is flying near a tree on the right. A raccoon is on the left, and a dog is on the right.
