

What would I  
do if I were  
the leader of  
my country

# landfills in Belarus

overflowing  
trash cans  
in the  
Grodno  
region

Work at a waste recycling plant

# Waste sorting in Sweden

# What Sweden does with waste:

- ▶ Recycles - 50%
- ▶ Burns for energy production - 48%
- ▶ Sends to landfills - 2%.
