

**POSEIDON UNDERSEA  
RESORT**

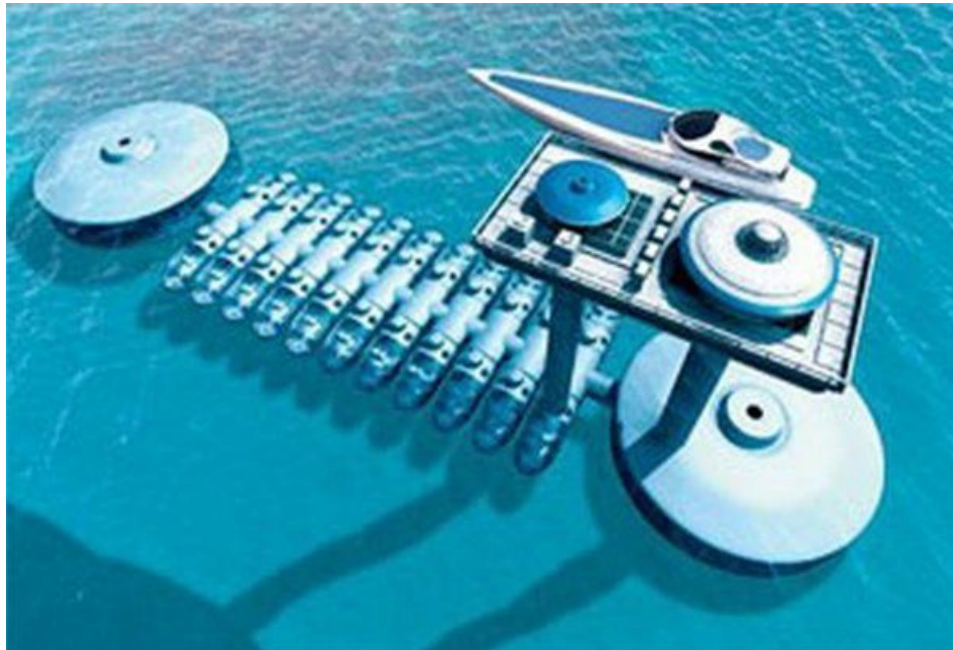

Poseidon Undersea Resort - a unique resort located on the island of Poseidon.

Poseidon Undersea Resort consists of 73 rooms. Some of them are located on the beach and on stilts over the water.

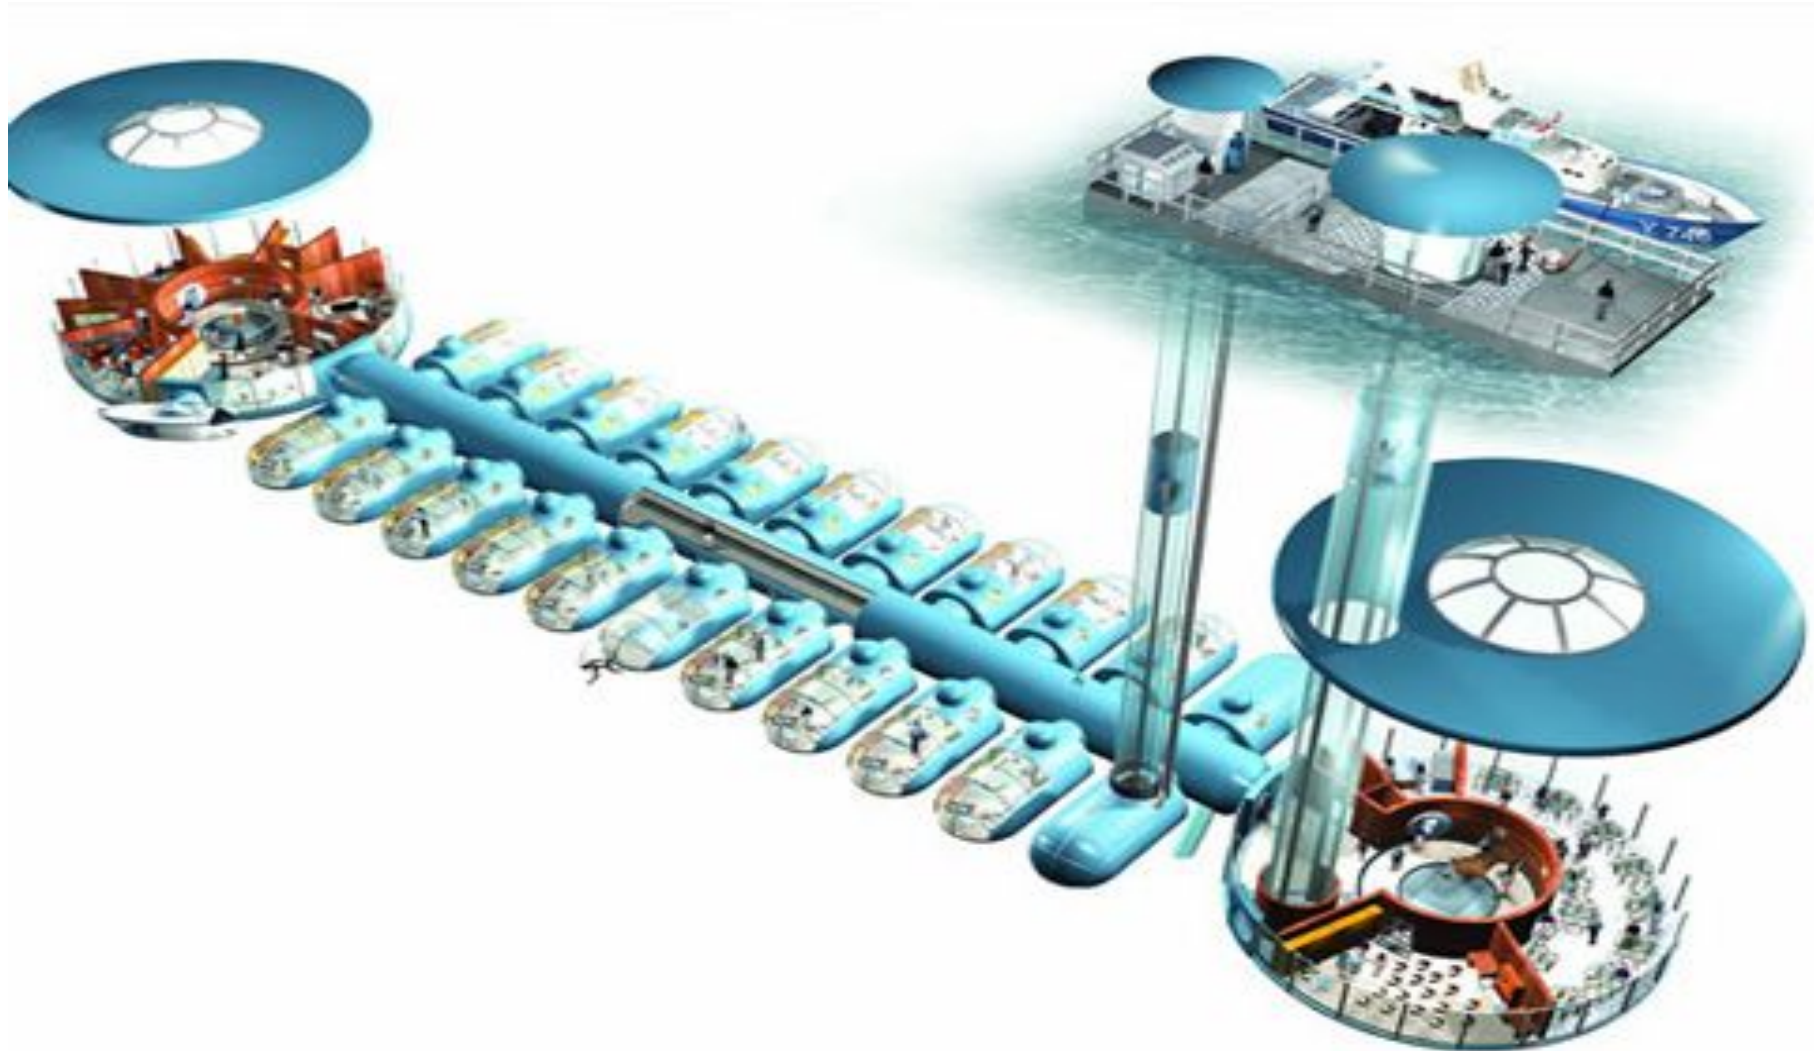

But the most interesting is under water - at a depth of 15 meters underwater to create a real hotel. It offers a 25-capsule rooms, including luxury suites "Nautilus" (300 sq. M), decorated in the spirit of a fantastic submarine from Jules Verne.

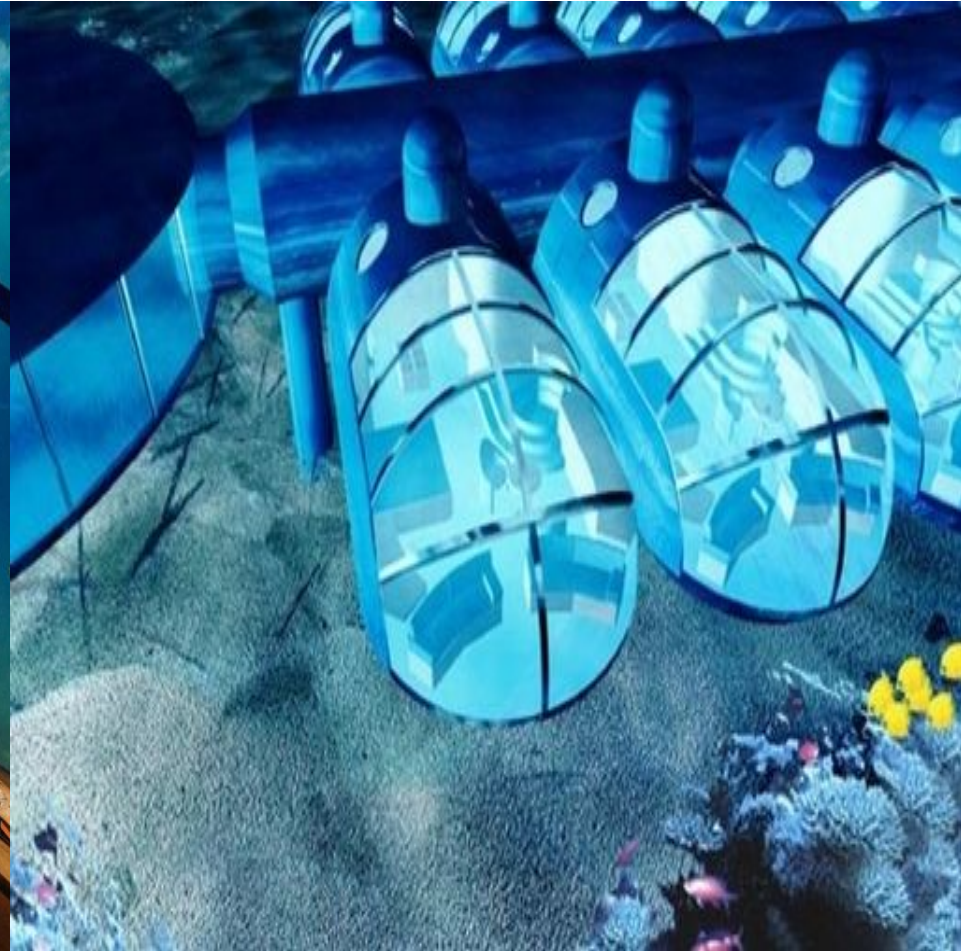

Rooms in the form of plug-in units are attached to the pipe-hall, if desired, the capsule separated from the corridor and raised to the surface.

Interiors underwater rooms with marble and leather. Most of the walls - of transparent acrylic plastic resin (100 mm).

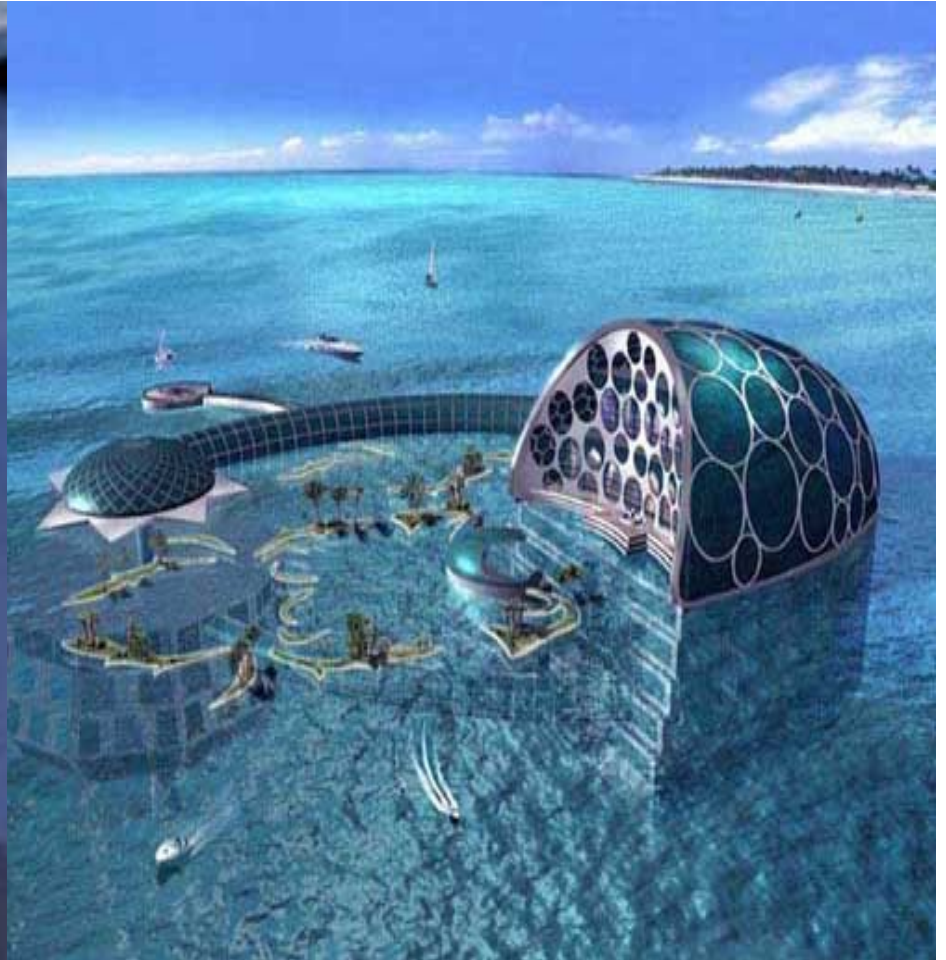

Resting in the room, you can observe marine life, including a special light, which attract marine life.

It is worth noting, spacious residences, which are located on the surface: each has a private pool, terrace, bathroom with Jacuzzi.

THANKS, THAT'S ALL
