ТЕКСТ

The background is a dark blue gradient with various geometric shapes. There are several overlapping circles in shades of blue and white. A large white circle in the upper left contains a square with a circular scribble inside. A smaller white circle below it contains a smaller square with a similar scribble. On the left, there is a large, multi-layered, semi-circular shape resembling a rainbow or a stylized arch. In the top right corner, there is a square with a circular scribble, similar to the one in the white circle. The text is centered in the middle of the image.
