# A New Year Celebration

What is your FAVORITE celebration?

I live in Rio. Our New Year is in winter.

We celebrate our new year in January.

We always wear white clothes. White color is for peace. (שלום)

We visit our grandparents and friends. In Brazil, people go to the sea and throw flowers into the water.

We dance and sing at the Copacabana Beach. We eat fruit cakes.

All the people are happy. We always have a big family supper at night. Children get special presents.

I get money and new clothes from my family.

We have a lot of fun together.
