ALLA PUGACHEVA

Nadia Yudina

Alla Pugacheva was born in Moscow on April 15, 1949

she lives In a mansion on Istra. Since 2011, after the wedding, Alla Pugacheva and Maxim Galkin live in his luxurious castle in the village of Mud.
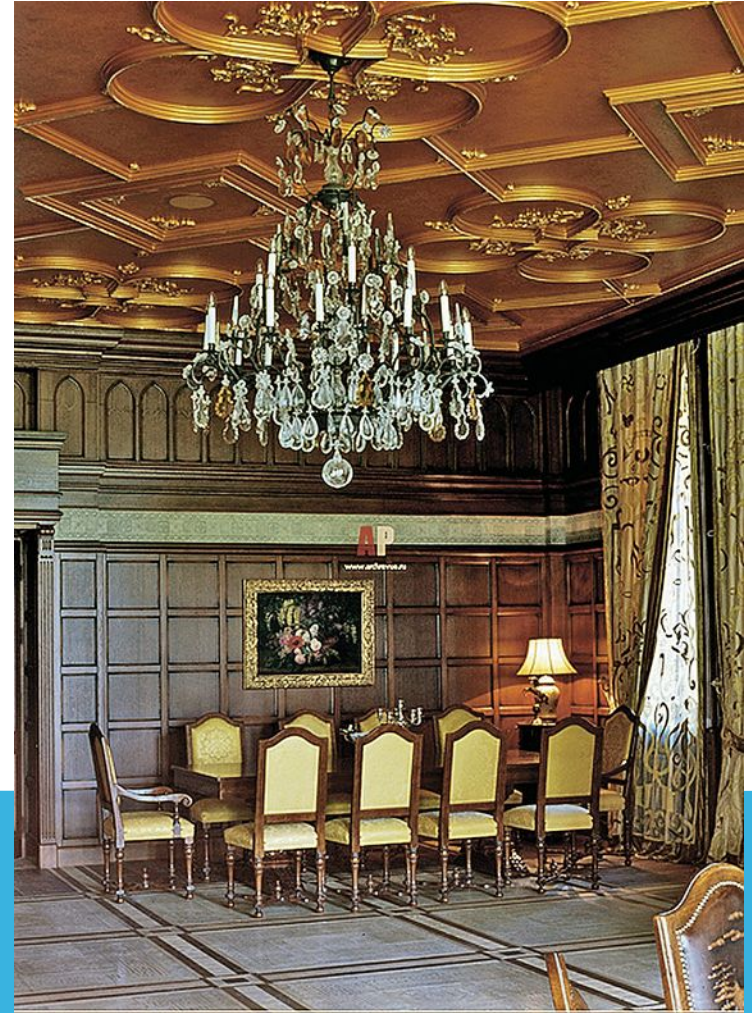

The gigantic 6-story Palace complex with medieval-style towers has more than 20 living spaces. On the ground floor there is a huge fireplace room with stained glass Windows, which cost the owner €300/m2

I liked this room as it was lit by two tallow candles and the walls were covered with gold paper; however, the bench, table, sink on a string, towel on its nail, tongs in the corner and a wide hearth with pots - everything was as in the ordinary house.

I wouldn't change anything because I already like everything

interview questions

why did you decide to make a room in this style ?
How did you achieve such success ?
what can you recommend to achieve such success ?

how to make such a design?

How much did this repair cost?
