

WHAT DO WE NEED FOR PANCAKES?

Let's fry our
pancakes!

A kitchen scene featuring a white gas stove with a black frying pan on the front burner. The pan contains a yellow, textured omelette. To the right of the stove is a wooden cabinet with drawers and a countertop with a yellow tray containing a white cloth. In the bottom left corner, a white plate holds a stack of golden-brown pancakes with a knife. A large orange thought bubble is positioned above the stove, and a yellow arrow points from the bottom right towards the plate.

I am ready!

Let's eat them!

**It was
delicious!
Thank you!**
