Facts

Population

In Canada there is a big total of 35.4 million people live there. This is a big country but its amazing that so many people can live there.

Canada's lowest recorded temperature was -81 degrees in 1947. We in London have never had anywhere near that.

The highest temperature is 45 degrees which is really high.

In winter it used to snow so much they where locked in the houses so they had to make sure they had enough food to last them through the winter.

But now with the technology we have they will luckily be fine.

The color

The Canadian motto, A mari usque ad mare, means from sea to sea.

THE MOTTO

In Canada they speak mostly English and French. But I'm very sure that lots of people speak a different language. I have seen a saying that was in Spanish so that's why I know that they also speak a little Spanish.
