Dear Alice,

I'm in Lisbon today with my cousins. Lisbon is great! There's an aquarium here. It's very big and there are sharks and turtles. White sharks are amazing! They're big and very beautiful and they can swim very fast. They're dangerous too - they've got lots of teeth!

My favourite animals are turtles. Look at the turtle on the postcard. I've got a pet turtle from Australia and its name is Oliver. Turtles have got long necks and big mouths. They haven't got teeth, so they aren't dangerous. They're very ugly but I think they're great!

Have you got a pet? Write soon!

Best wishes,

Maria
