Books and Movies

Recommend a book and movie by answering the following questions:

1. *How did you find out about this movie\book?*
2. *What is it about?*
3. *Why should the partner watch\read it?*

(7-10 full sentences)

Example

I want to recommend the film "Dead Poets Society", found on the Internet.

The film "Dead Poets Society" tells about the English language and literature teacher John Keating at the Welton Academy of Vermont who tries to encourage his students to follow their passions and be themselves instead of simply conforming to the life their parents and other teachers have selected for them.
