## Autumn Fires

In the other gardens  
And all up the  
Fane, the autumn  
Benefit's smoke  
trail!

A photograph of a bonfire with large logs burning in a grassy field. The fire is bright orange and yellow, with some grey smoke rising. The scene is framed by a yellow border.

Pleasant summer  
And over all the summer  
flowers the red fire  
The blazes. smoke  
towers.

Sing a song of  
seasons!  
Something bright in  
all  
flowers in the  
summer  
fires in the  
fall!
