

Halloween

Traditions and Safety Tips

Costumes

- Halloween is a fun holiday.
- It is on October 31.
- Children wear funny or scary costumes on this special holiday.

Trick or Treating

- Trick-or-treating is a popular Halloween tradition.
- Children knock on doors and say “Trick or treat!”
- People give them candy.

Be Safe Together

- Trick-or-treaters should walk with a friend or an adult.
- They shouldn't eat any candy until their parents have checked it for poison and razor blades.

Carry a Flashlight

- Trick-or-treaters should carry a flashlight so cars can see them.
- They should look both ways before they cross the street.

No Weapons

- Children should not carry dangerous weapons on Halloween.
- This pirate is carrying a blunt plastic sword.

Clear Vision

- Children should be able to see clearly in all directions when wearing their costumes.
- Costumes should not be too long or they might trip.

Baskets or Bags

- Children need a basket, bag, or pillowcase to carry their Halloween candy.
- These girls are carrying orange jack-o-lantern baskets.

Vampire

- This teenager is dressed like a vampire.
- He is carrying a bag for candy.

Party Invitation

Bobbing for Apples

- Bobbing for apples is a popular game at Halloween parties.
- Players try to bite an apple and take it out of a bucket of water without using their hands.

Costumes at Work

- Some adults wear costumes at work.
- This office worker is dressed like a witch.

Company Party

- These adults like Halloween, too.
- They are at a company party.
- They are having fun.

The End

Happy
Halloween!
