Предлагаем вашему вниманию фильм
по мотивам фильмов создателей

Однажды известная под названием «хиппи-хоппи» рок-группа давала концерт на площади героев.

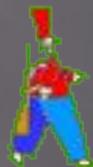

И вот правительство узнало, что эта группа состоит в анархистской организации и их забрали.

Их привели к
мировому судье и
их без разговоров
признали
виновными

Но их всё же
увели

Хотя они таковыми не
являлись и они сразу
начали протестовать

В тюрьме они думали как
спасти своё положение

Вдруг охранник решил
ненадолго покинуть свой
пост и к их камере
подошёл незнакомец

Он открыл
их камеру
отмычкой и
выпустил
НЕВИНОВНЫХ

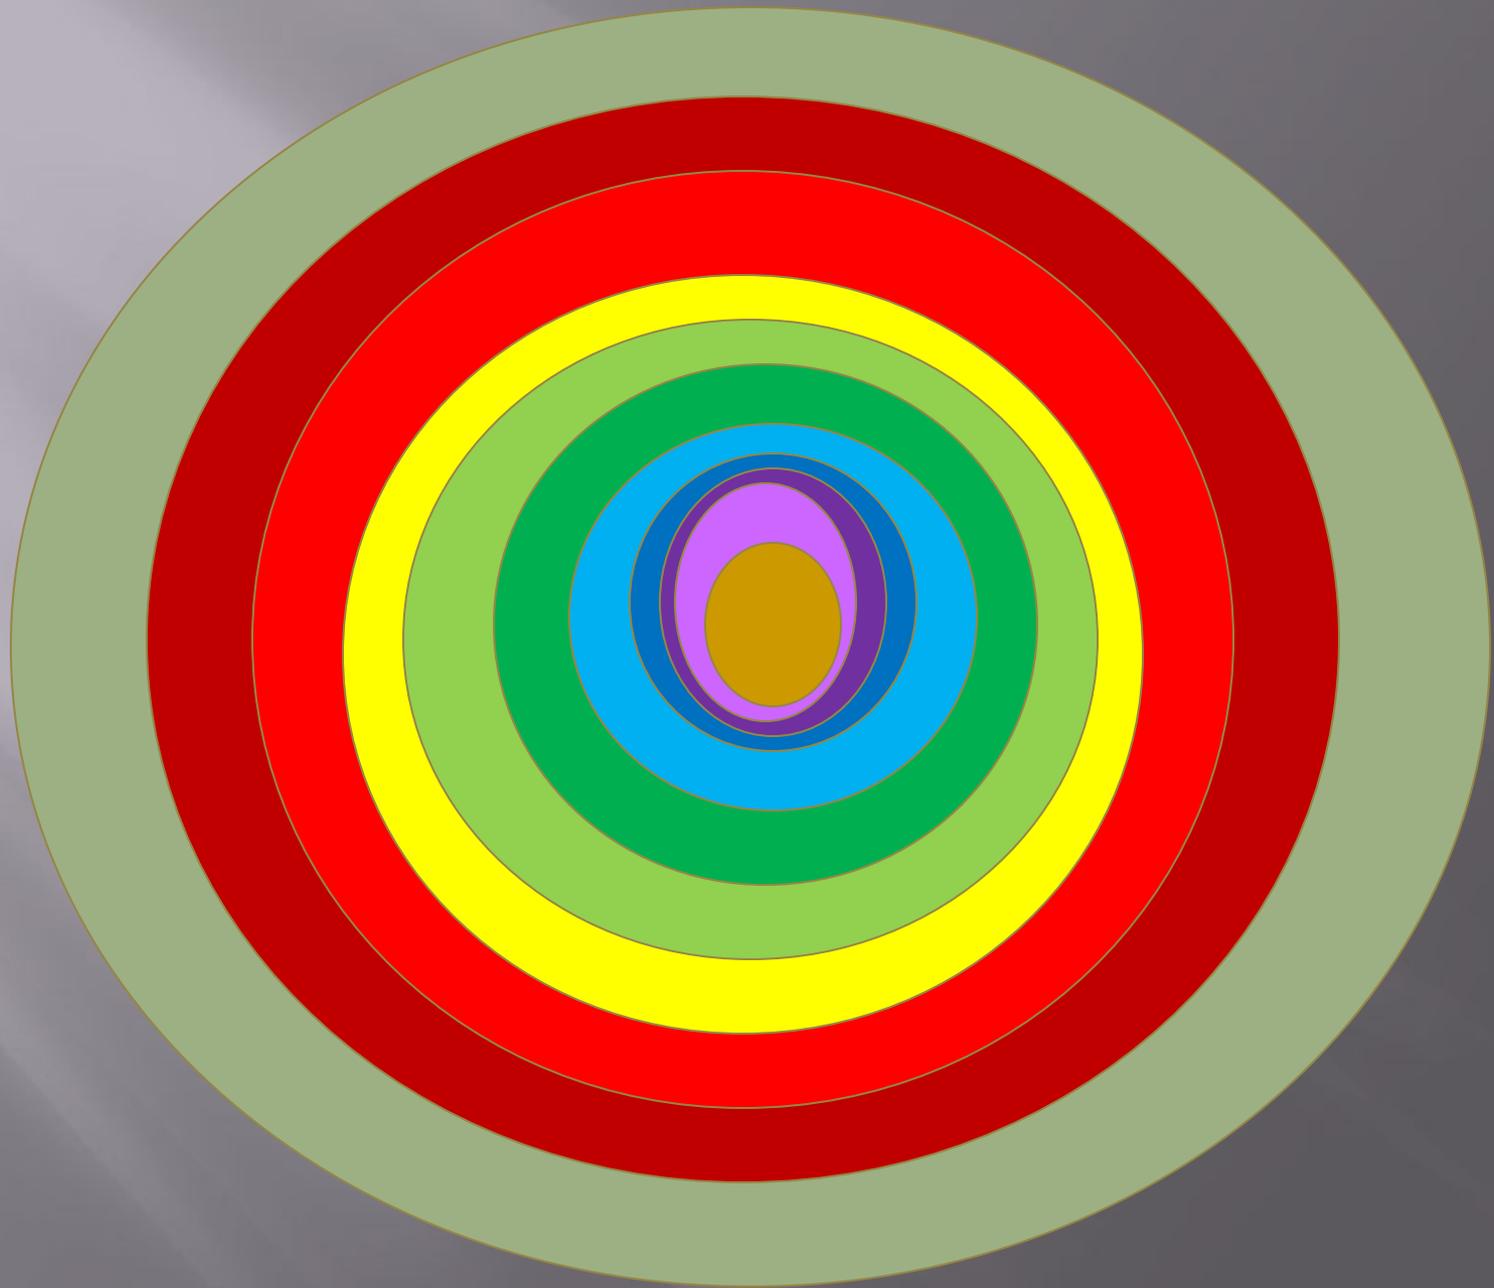

Оказалось что этот
незнакомец был фанатом
группы «хиппи –хоппи»

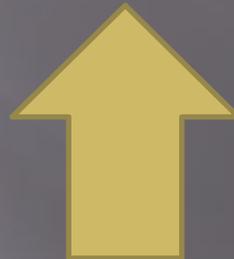

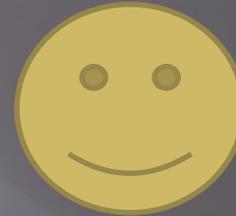

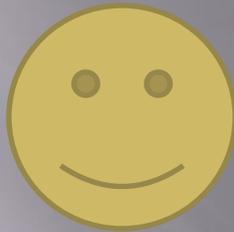

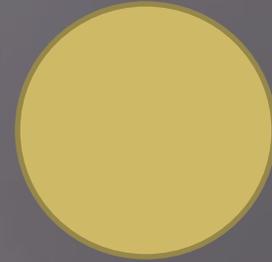

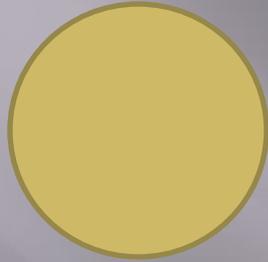

Чтобы
отблагодарить
фаната «хиппи-
хоппи» дали ему
билеты на все их
концерты

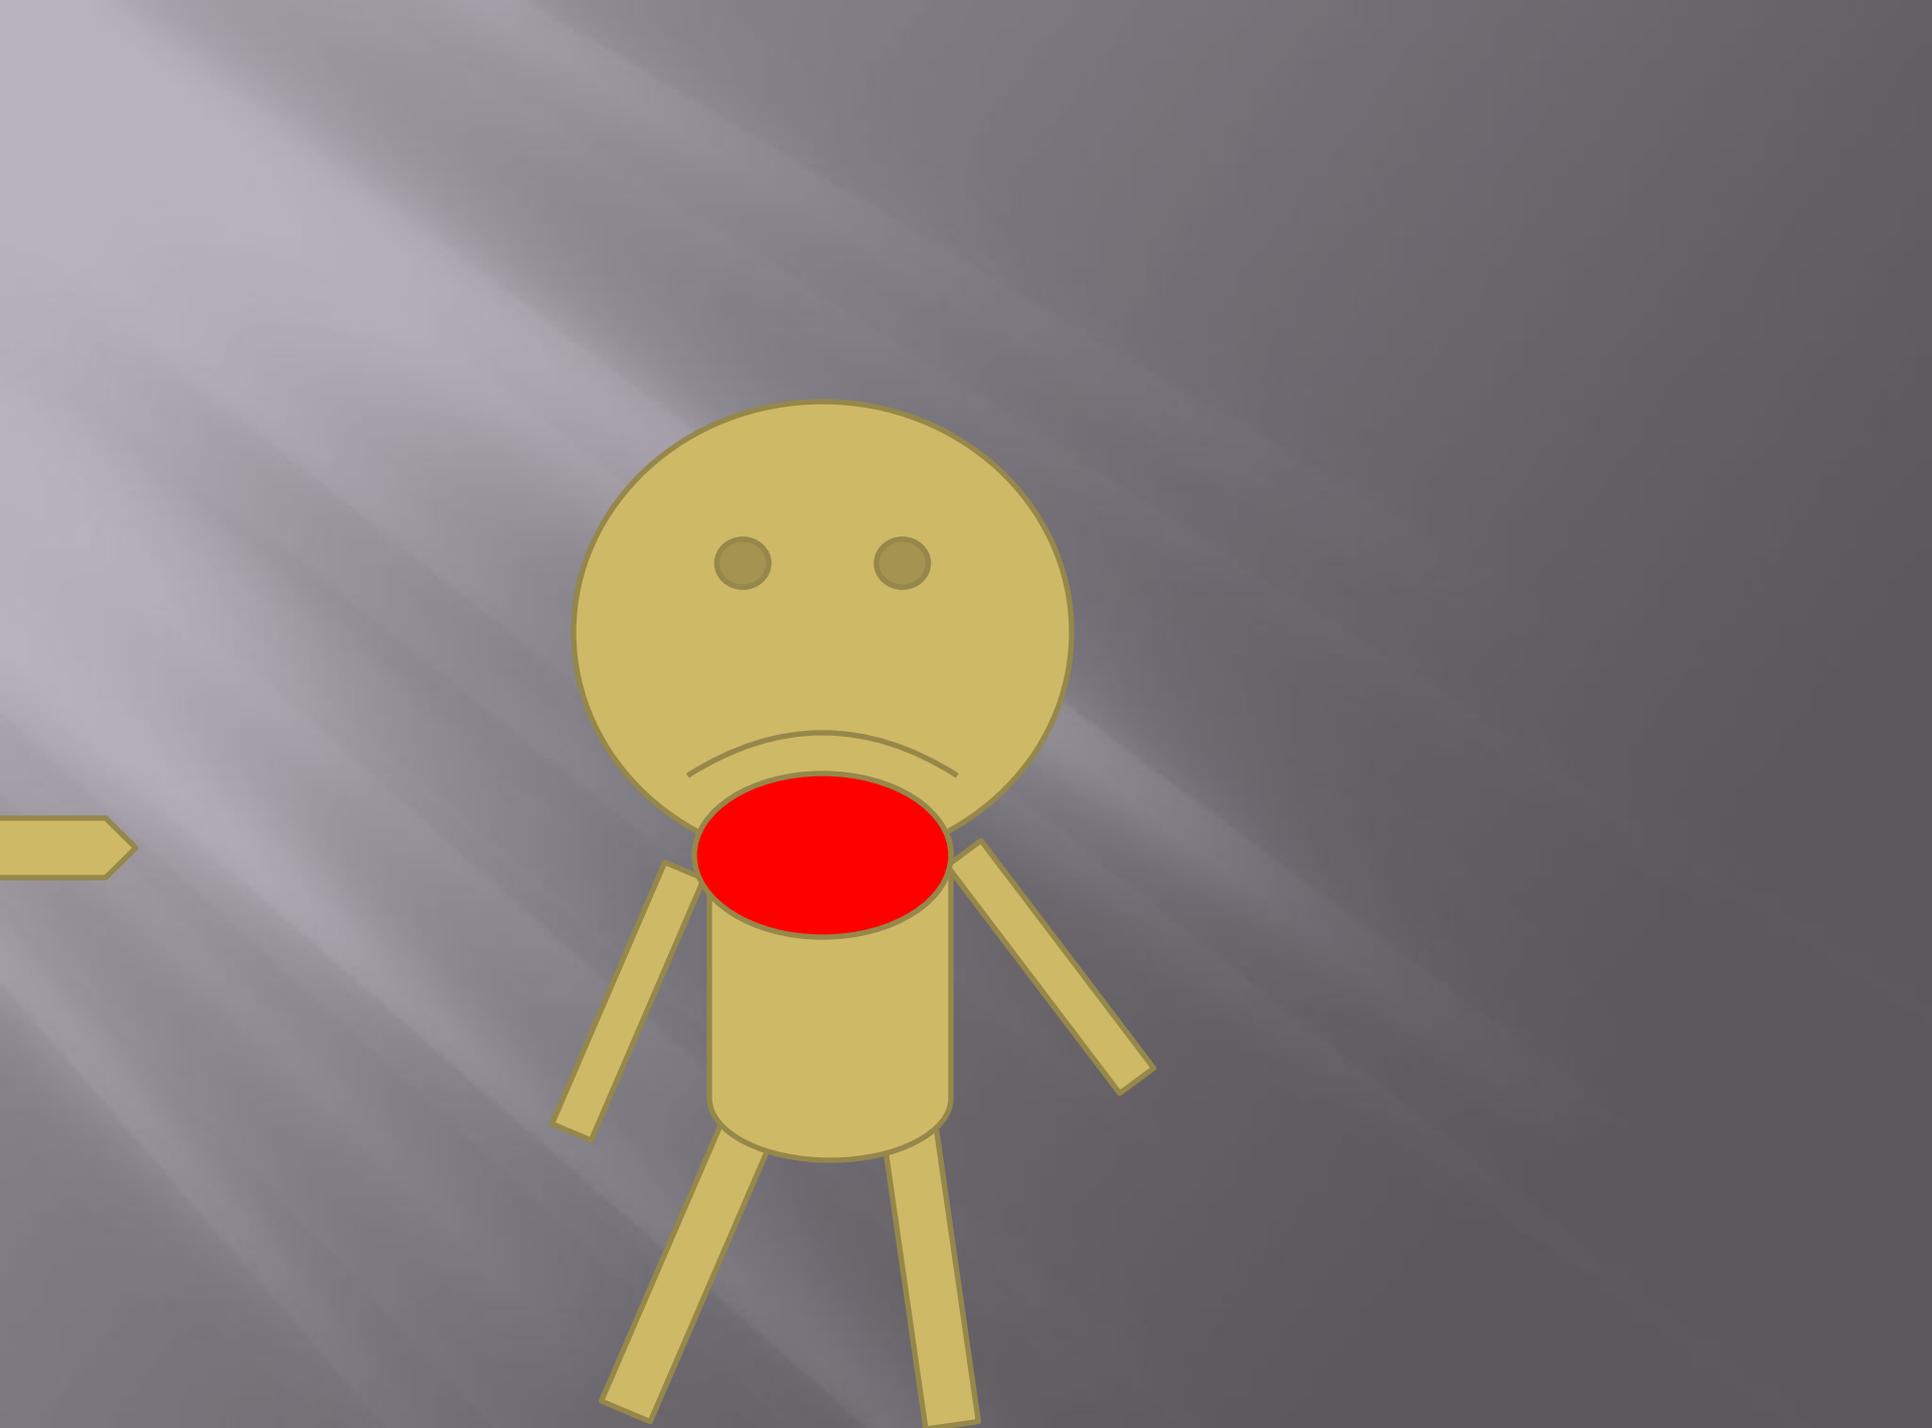

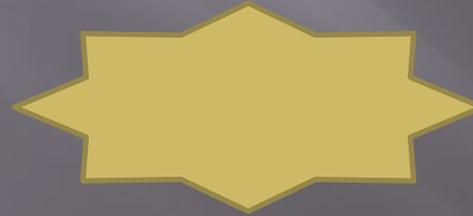

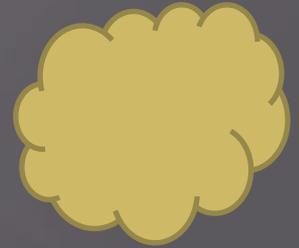

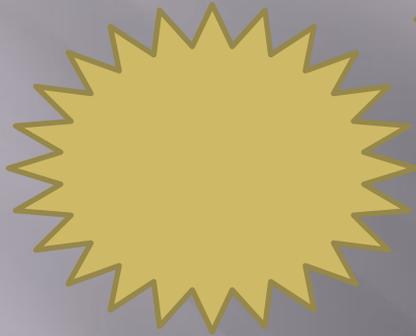

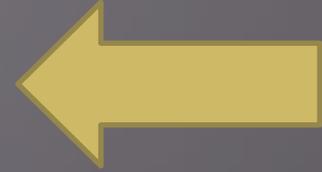

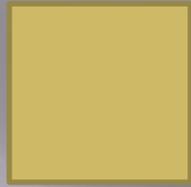

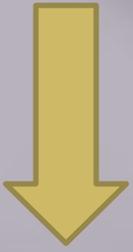

Теперь группа может
спокойно давать концерты
и в том числе незнакомцу

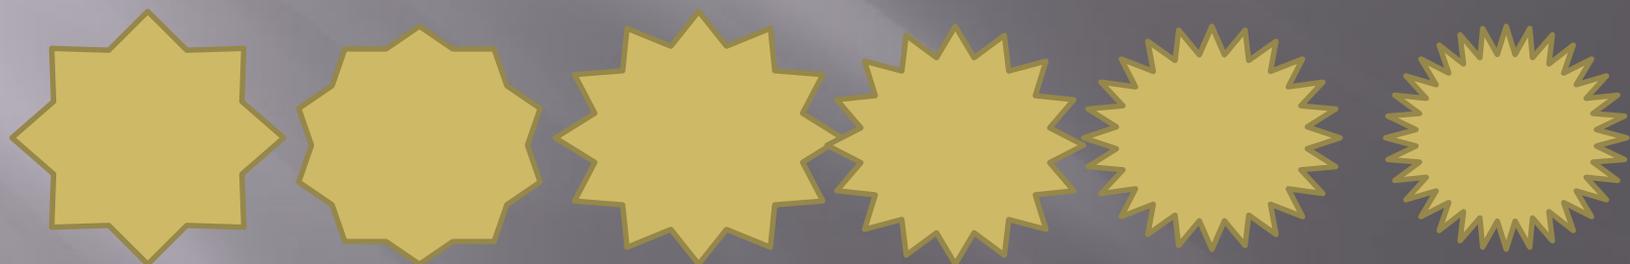

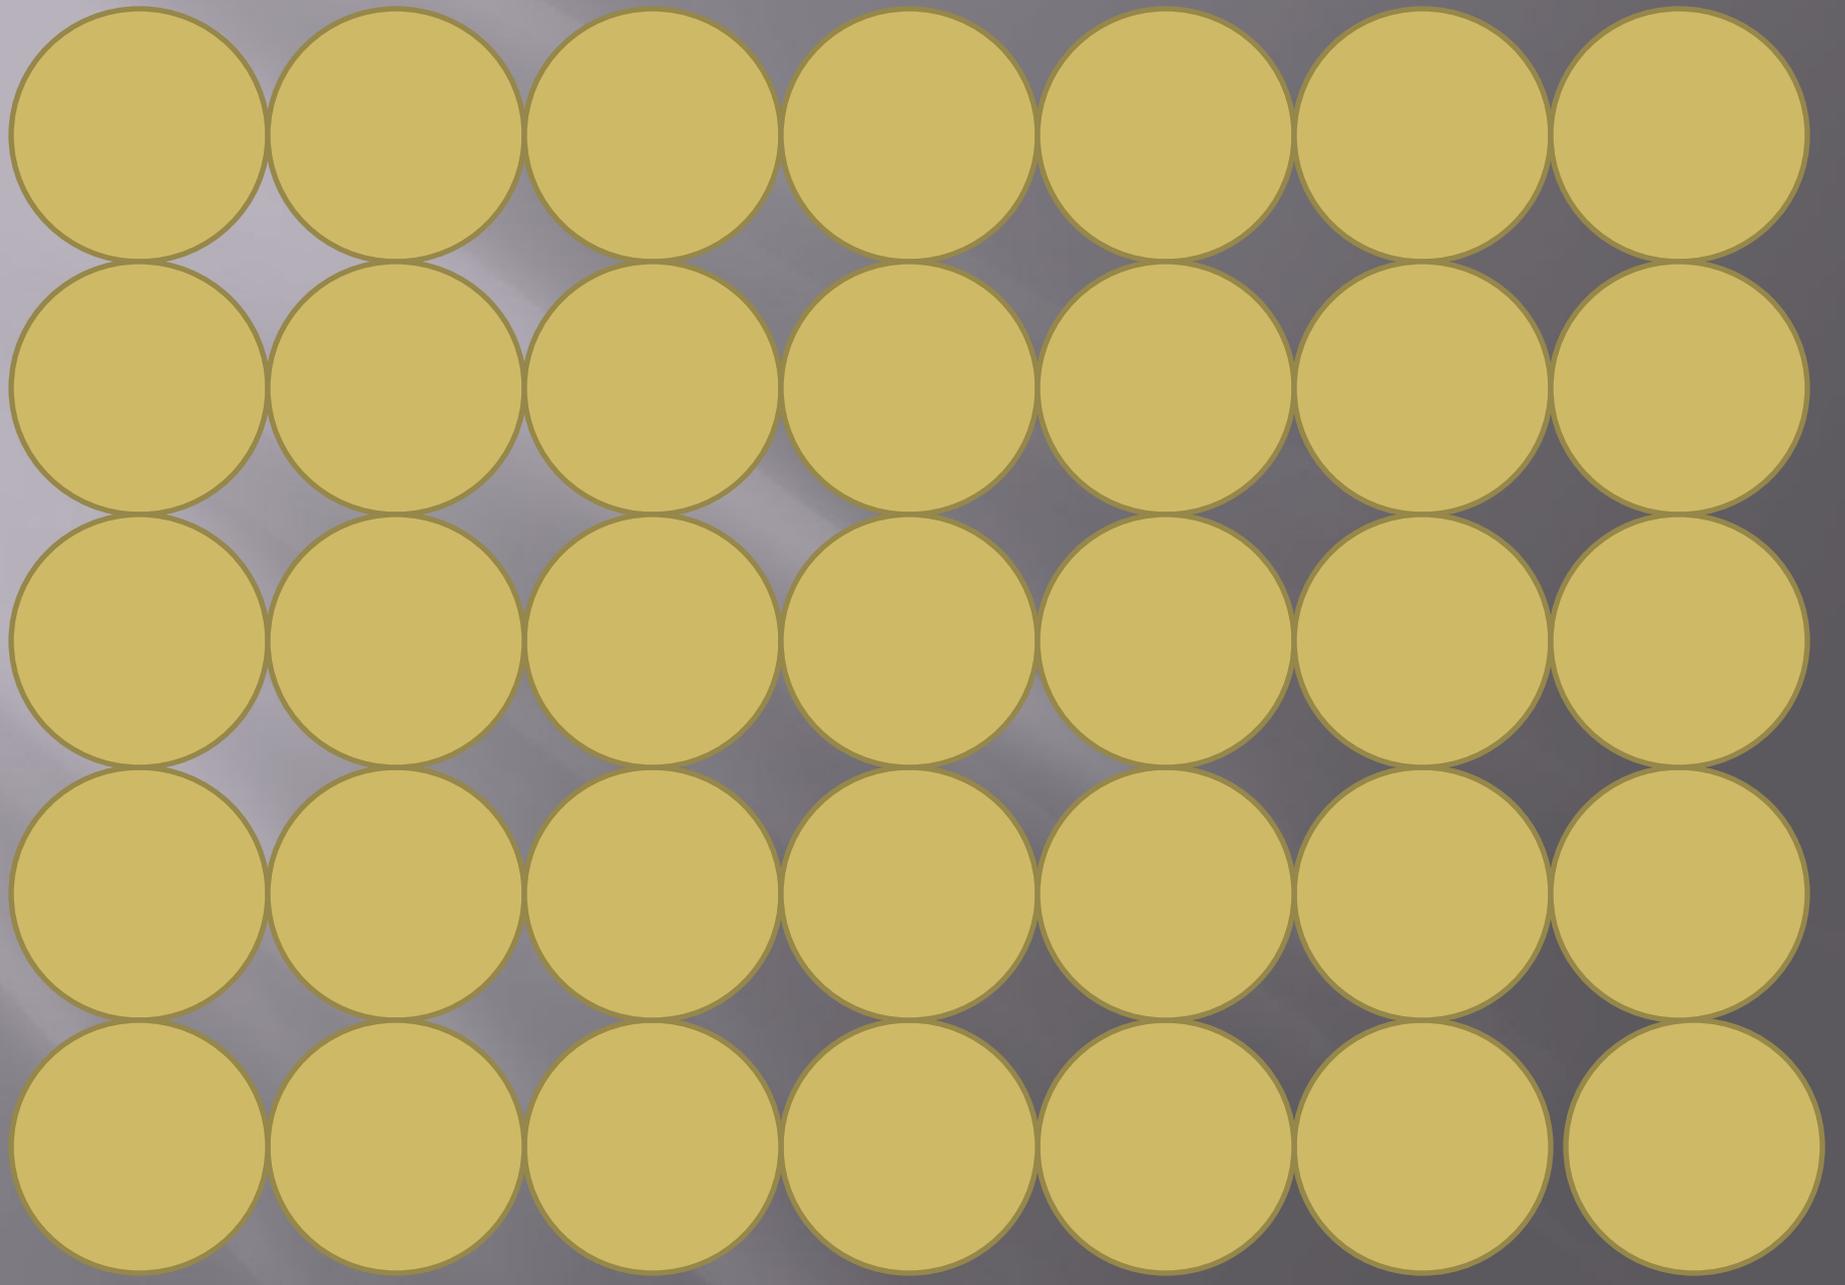

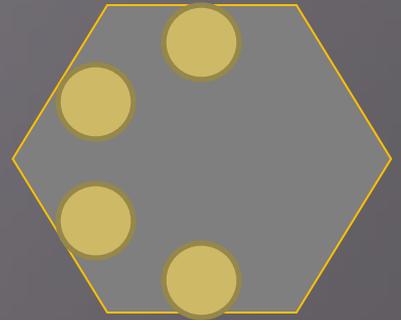

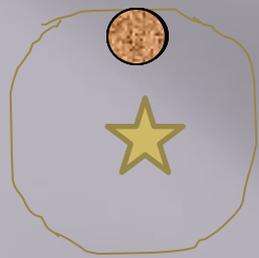

Это
должно

калиной-
малинкой
