Hi Nicky

Thanks for your email. The competition has finished now and a band called *The Pirates* has won. We're coming home today.

We've had an amazing time. And guess what? Joss Stone was a judge at the competition. I've heard her on the radio before and I've seen her on TV too. She's made some great albums and written lots of good music. She's really nice. She's given us six free tickets to her concert at the Queen's Theatre next Saturday. Do you want to come with us? I haven't been to a pop concert before. Maybe we'll see more famous stars!

I give Justin a birthday present every year. I've never talked to him, but I know a lot about him. Check out my JT factfile! Am I a superfan?
