

# *RULES OF GOOD HEALTH*

When you get up air the room.

Do morning exercises every day.

Wash to the waist or take a shower.

Don't hurry when you have your meal.

# Work and have a rest.

*Eat in time.*

★ Go to bed in time and rise early.

Proverb:  
Early to bed, early to rise,  
makes a man healthy,  
wealthy and wise.
