

Every trip starts from packaging up the things, that will be necessary abroad.

So did I

For the first look, the road may show you boring but there are a lot of ways to diversify it. For instance: you can play table games, such as “Crocodile”

Our team

The main goal of trip was to take a part in "Fashion House" competition which lasted for 3 days

Famous people I met there

When you get some free time , you can spend it for shopping and going to interesting places , such as: “Medeo” and “Kok tobe”

I got 2nd place at title called “ Young Miss Asia”

Every member from Uzbekistan won prizes and took winner places

Thanks for attention!
