Dear Ben,  
Thanks for your letter; it's nice to hear from you.  
*No/Yes, I have(n't) seen that film yet/already/twice.*  
I like/don't like to watch many kinds of movies: from \_\_\_\_\_ to the \_\_\_\_\_. My favorite genre is\_\_\_\_\_, because it's very\_\_\_\_\_and\_\_\_\_\_. I *watch/don't* watch films almost every day at home, but I think/don't think that watching them on wide screen is\_\_\_\_\_. All the special effects are impressing. If I make a film one day, it will be related with\_\_\_\_\_. In other words, it will be very\_\_\_\_\_.  
Write back soon.  
Best wishes,  
Veronika
