

The Tao: the art of "wells lighting"

How do my colleagues
represent
very ancient Chinese
culture...?

- Like this....

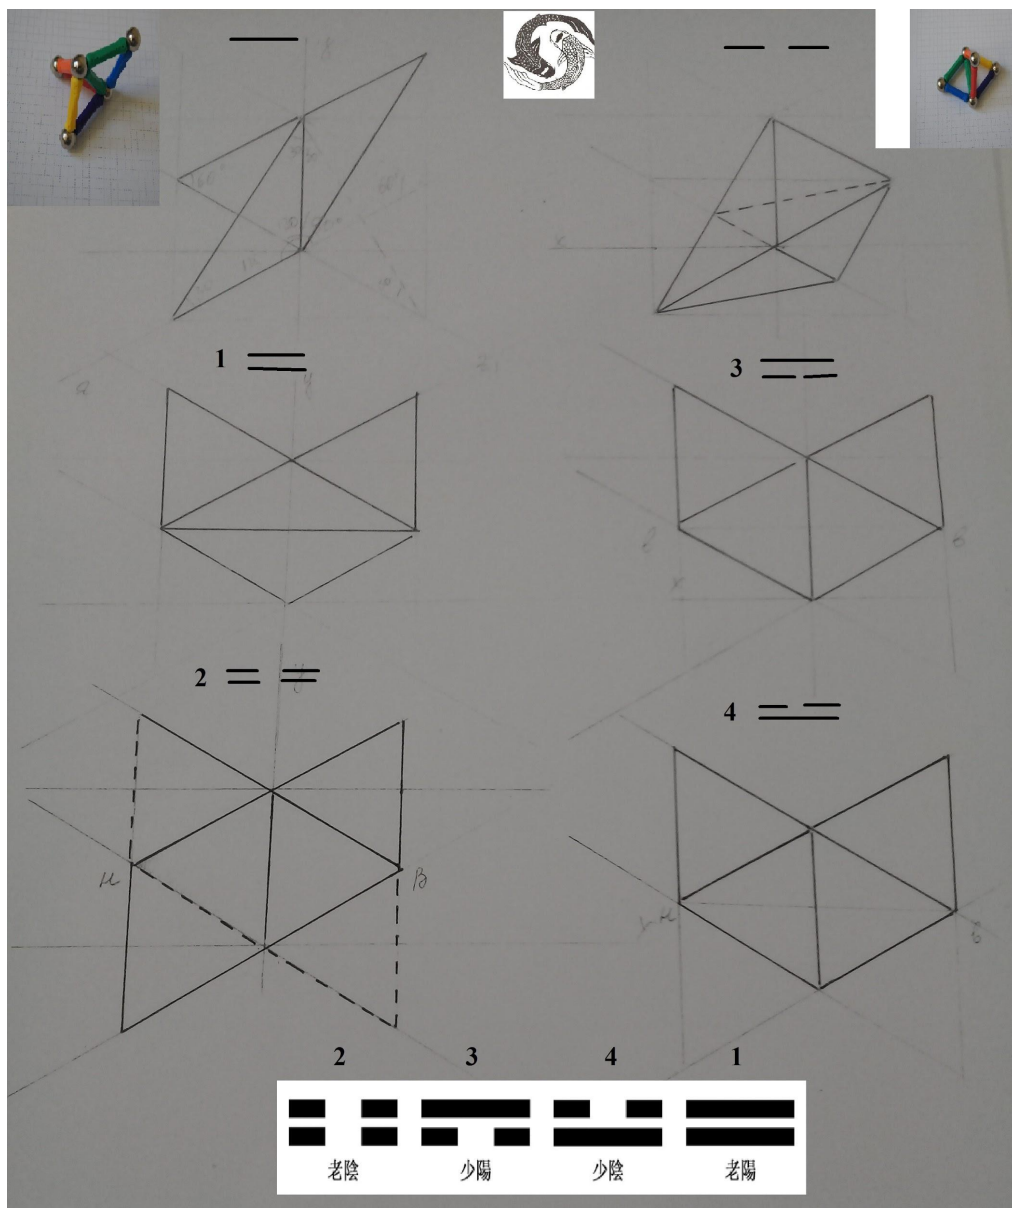

How do I
represent ancient
Chinese culture..?

Elements of the Universe

- 爻 yáo - Two yao
- 四种爻象 Si xiang - Four xiang

a Bell / 12 lui

real object

TOP point

sound
resonance
point / symmetry

BOTTOM point

water mirror image

sound resonance symmetry
like a Heart knot

Bottom point goes up
to the middle
and Top point goes down
to the middle
Their symmetry looks like
a turtle in the water
(Lo shu symmetry)

Yi Jing: "Fortune and
misfortune are happened"

• 十二律 shi er lui - 12 lui

There are 3 elements (Water Thunder and Metal) which have a form of a "butterfly"

There are 4 elements (Heaven Mountain Fire and Wood) which have a form of a "rombus"

And the element of Earth has a form of "hexagon"

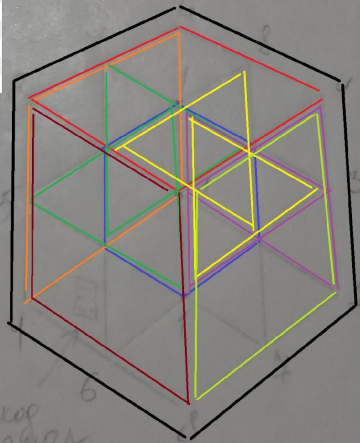

**Geometric structure
of "energies"**
