ГБОУ школа №376  
Московского района СПб

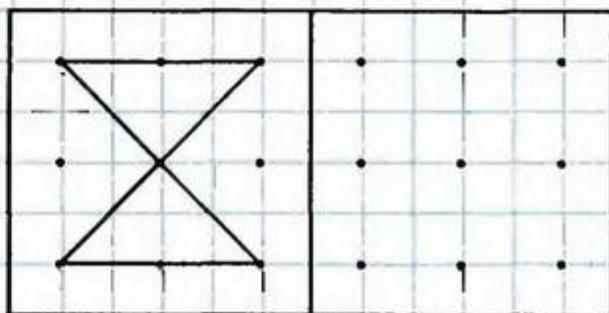

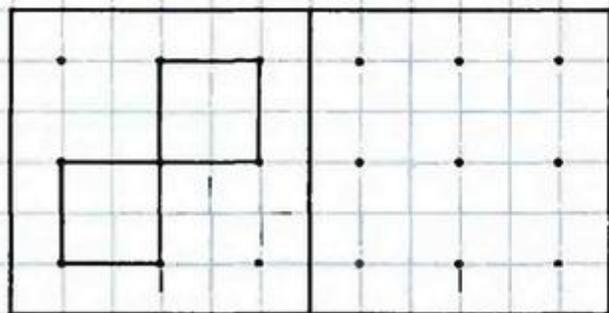

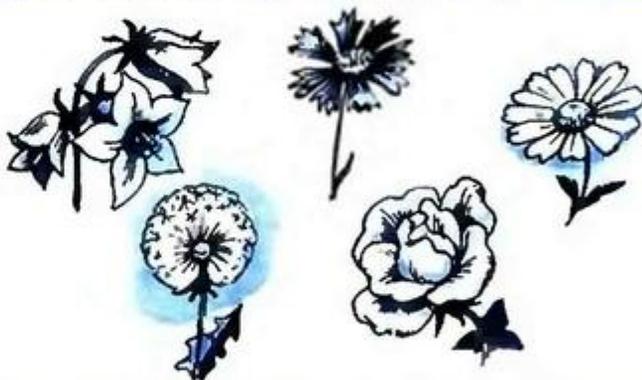

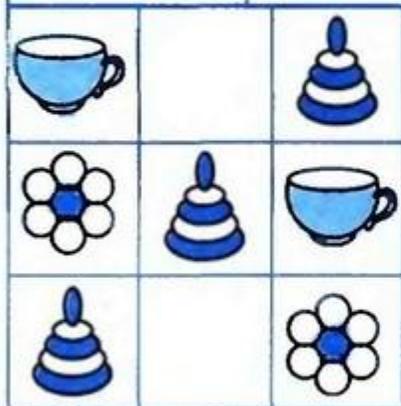

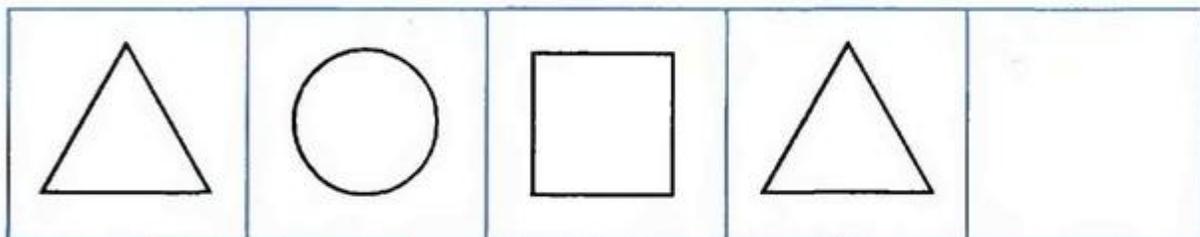

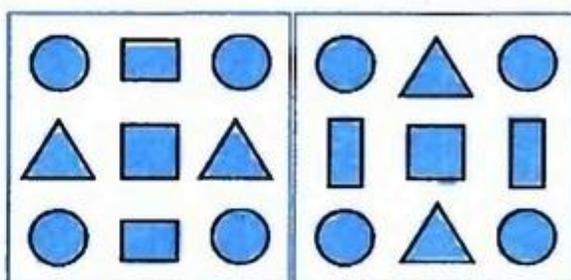

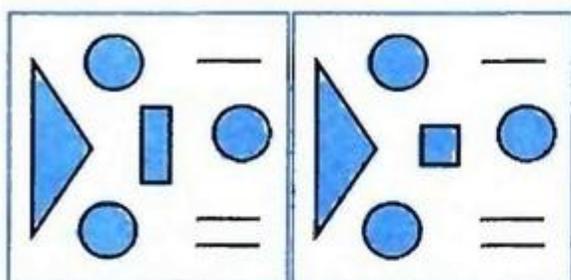

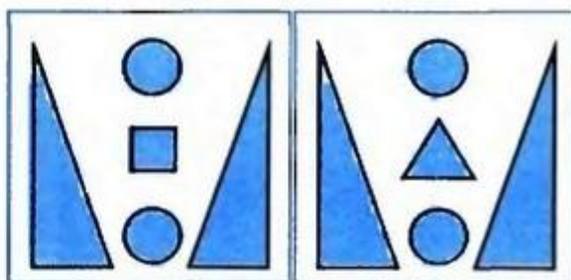

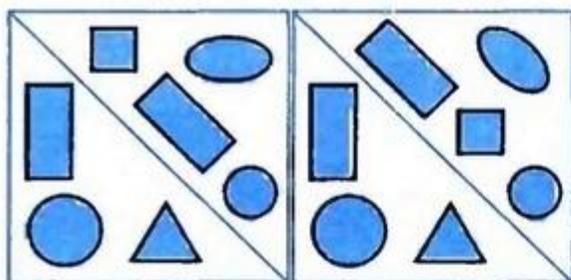

Раскрасьте фигуры разными цветами так, чтобы круг лежал на квадрате, треугольник — на прямоугольнике, а овал — на ромбе.

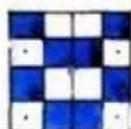

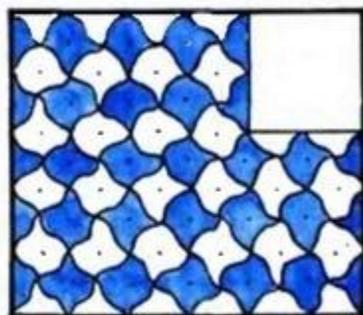

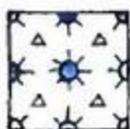

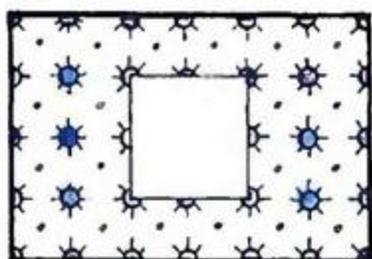

Попробуйте заштриховать вторые половинки фигурок в зеркальном отражении.

Найдите отличия между каждой парой квадратов.

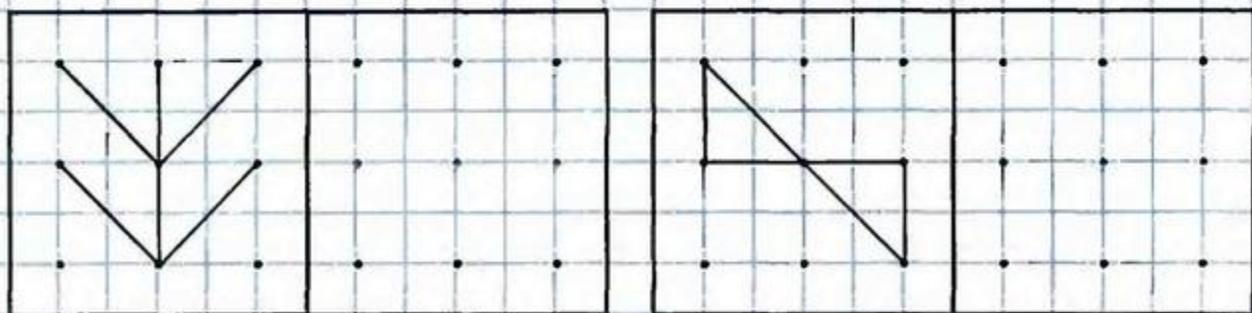

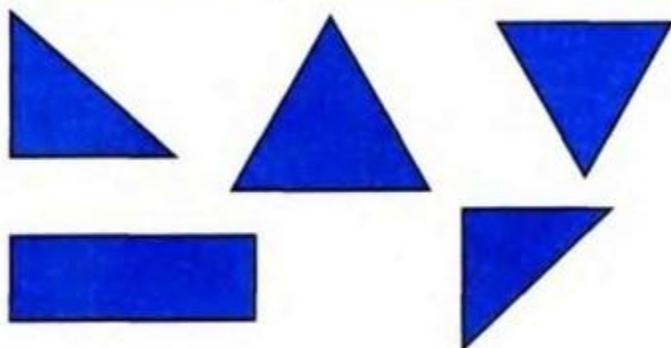

Найдите подходящие заплатки к каждому коврику.

∨	∨	≡
≡		∨

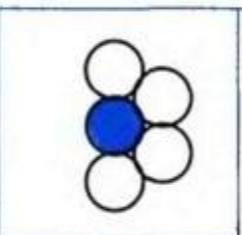

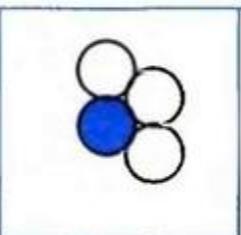

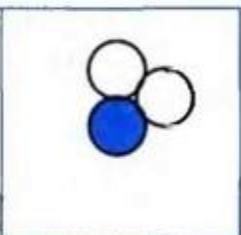

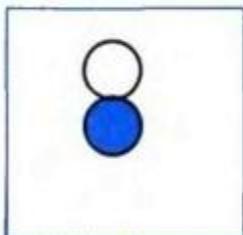

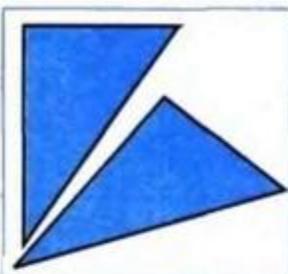

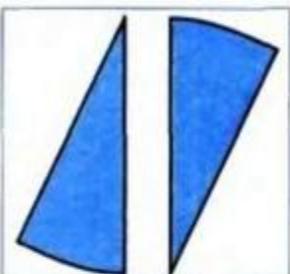

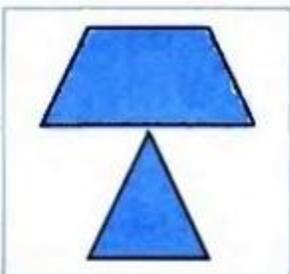

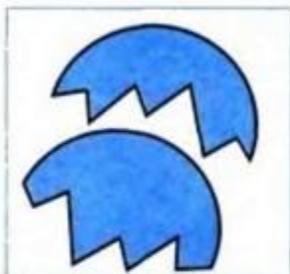

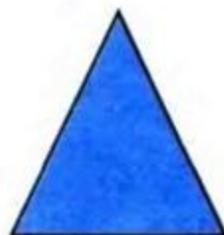

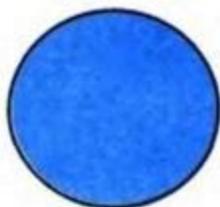

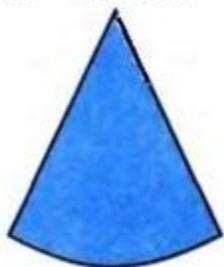

Каким из квадратов можно заполнить пустую клетку?

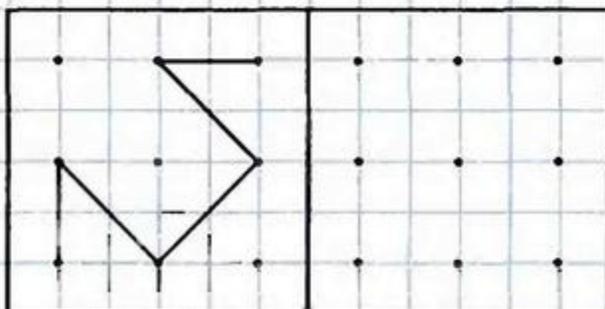

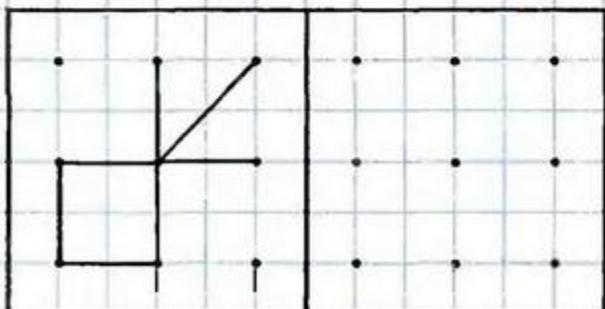

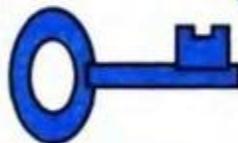

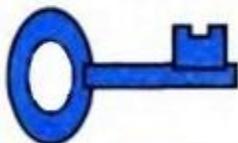

Найдите пару каждому из предметов. Проведите стрелки.

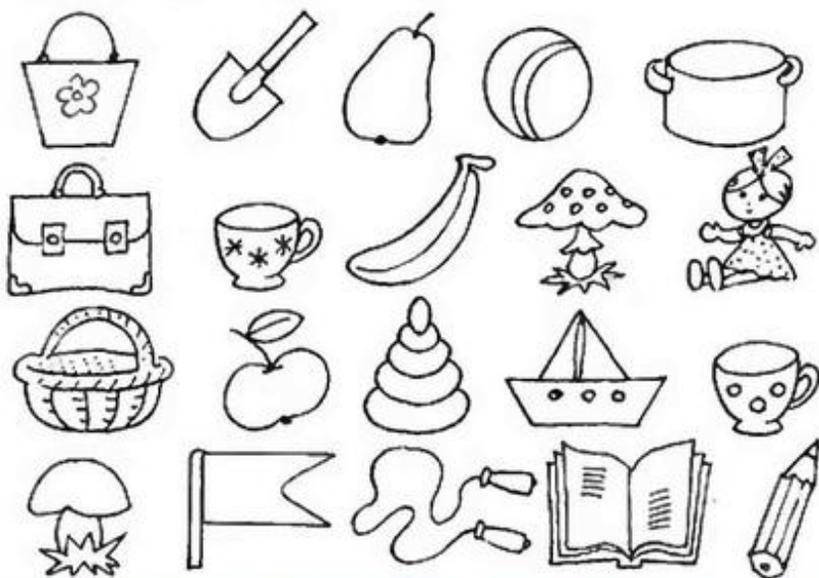

Соедините стрелками фигуры и соответствующие им части.

3	2	1
1	3	2
2	1	

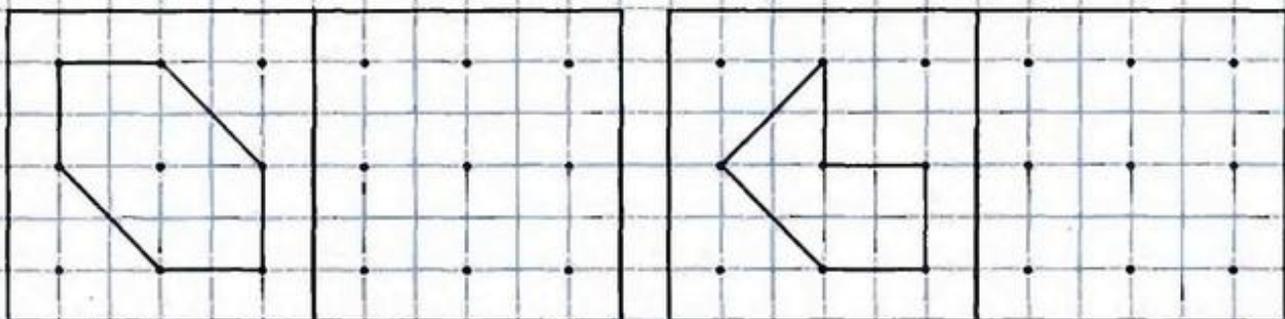

Найдите среди остальных предметы, изображенные в квадратах, и раскрасьте их.
