

Задание 1

```
var s, n: integer;  
begin  
    s := 301;  
    n := 0;  
    while s > 0 do  
    begin  
        s := s - 10;  
        n := n + 2;  
    end;  
    writeln(n)  
end.
```

Задание 2

```
var s, n: integer;  
begin  
    s := 78;  
    n := 0;  
    while n < 12 do  
    begin  
        s := s - 8;  
        n := n + 2  
    end;  
    writeln(s)  
end.
```

Задание 3

```
var n, s: integer;  
begin  
    n := 1;  
    s := 0;  
    while n <= 650 do  
        begin  
            s := s + 20;  
            n := n * 5  
        end;  
        write(s)  
    end.  
end.
```

Задание 4

```
var s, n: integer;  
begin  
  s := 0;  
  n := 0;  
  while s < 111 do  
  begin  
    s := s + 8;  
    n := n + 2  
  end;  
  writeln(n)  
end.
```
