bee

I know one bee,
he is yellow, you see.
He lives in the tree.
Not this tree, that tree.
Every day he meets
other yellow bees.
Every day they notice
many lovely things.
Every night they sleep
and dream about sweets.

Peacock

ck

I know one peacock,
he likes to jump on the rocks.
He likes to play with his blocks.
He likes to wear funny socks
and jackets with pockets.

This peacock sleeps
by the clock
hugging his socks.
