

Language camp «NICE»

Curators in our camp are native speakers

- Jonathan Joestar

- Elisabeth Joestar

- Erina Pendleton-Joestar

- Joseph Joestar

- You can not be afraid that they will not understand you, because each of them speaks a second language: Russian, German or Italian. There will be no misunderstandings.
- Each of the curators works with a certain age category.

As well as cute curator assistants who will answer your questions

- Doppio

- Johnny

- Foo Fighters

- Narancia

- They will help you if the curator is not around.

For a month you will study, live and enjoy life in a house owned by the Joestar family

(it won't burn, don't worry)

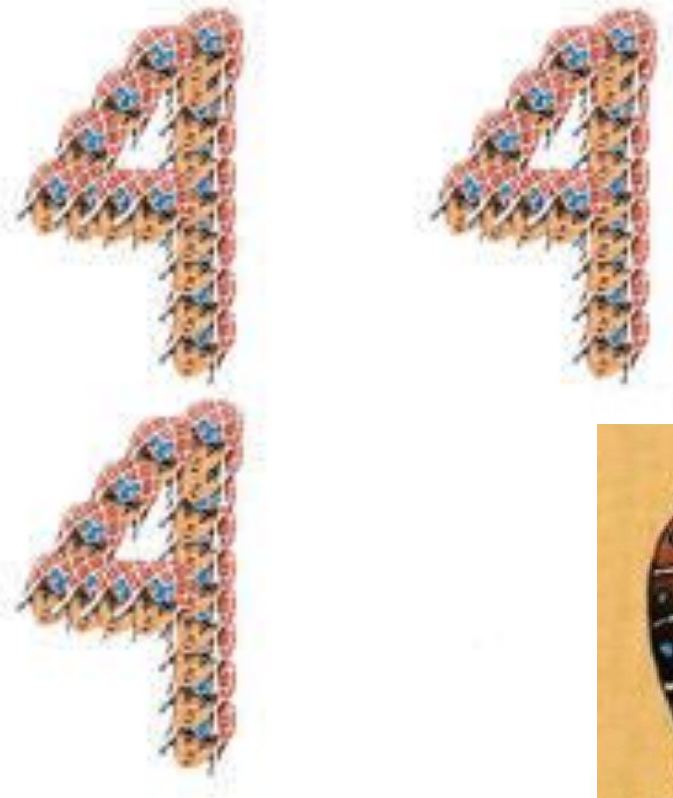

of course there is also a library here

You come here on May 1st and have
been here for a whole month.

Course price 444 pounds ;)

444

Also, in addition to learning the language, you can learn the torture dance, learn to play baseball, ride horses or explore the nature around the mansion.

Thanks for attention

- we will wait for you at our place :3
