Why ladies like the security of Wide-Track driving

A wider track is a wider stance. A wider stance is stability, safety, balance, less lean and sway, easier maneuvering, better control, more confidence and security at the wheel. Pontiac has a wider stance than any other car. A very pleasant demonstration of Wide-Track driving is yours for the asking. See or call one of our fine dealers this week.

An advertisement for 'wantu wazuri' hair products. The top half features a group of Black men and women with various styles of natural hair (afros, braids, etc.) against a solid red background. Below the group, the brand name 'wantu wazuri' is written in a bold, white, sans-serif font. At the bottom left, three bottles of hair products are displayed: a small bottle labeled 'SHAMPOO', a medium bottle labeled 'AFRO SHEEN', and a larger bottle labeled 'COMB LUST'. To the right of the bottles, there is a short paragraph of text in English.

In Swahili or English, the meaning is the same . . . beautiful people. People who wear the natural as a proud symbol of beautiful blackness.

Afro Sheen is proud, too. Proud to create the finest products made for total care of your natural.

A beautiful new hair product for beautiful people!
