

HELLO, MY NAME IS GREBNEVA MARY.

I LOVE TO SLEEP, WALK AND WATCH THE
IMPROVISATION SHOW. WELL, ALSO CHAT WITH
FRIENDS AND LISTEN TO MUSIC.

I AM SCHOOL LEAVER 2021..

MY ACHIEVEMENTS

TO BEGIN WITH, WE CAN SAY THAT THE MAIN ACHIEVEMENT IS THAT WE SURVIVED TO GRADUATION. ALSO, DURING MY STUDIES AT SCHOOL, I TOOK PART IN MANY OLYMPIADS AND CONFERENCES IN HISTORY AND SOCIAL STUDIES, WHERE I RECEIVED PRIZES.

WHAT ARE MY MOST IMPORTANT INSIGHTS AFTER 11 YEARS OF STUDYING AT SCHOOL?

FOR 11 YEARS OF SCHOOLING, I REALIZED THAT:

- EXCELLENT GRADES ARE NOT THE MAIN THING
- YOU CAN WRITE A TEST, EVEN IF YOU HAVE NOT STUDIED THIS TOPIC
- FIVE HOURS OF SLEEP CAN BE AS FAST AS EIGHT IF YOU TRY

MY RECOMMENDATION TO THE YOUNGER STUDENTS OF OUR SCHOOL:

- TO MONITOR THEIR GRADES AND CORRECT THEM IN ADVANCE, IF NECESSARY
- TO LEAVE THEIR MARK ON THE HISTORY OF THE SCHOOL (OF COURSE, ONLY GOOD)
- TO ENJOY EVERY MOMENT IN LIFE, AND IT DOES NOT MATTER WHETHER IT IS CONNECTED WITH THE SCHOOL OR NOT

IT'S

ME
